

LITTLE WOMAN GAINS 15 POUNDS AND FEELS FINE

Mrs. Harvey Was So Run Down She Tipped Beam at Only 100 Pounds And Health Was In Wretched Condition.

"A friend of mine got me to try Tanlar, and it proved to be the turning point in my health," said Mrs. Hattie Harvey, 2558 San Pablo Ave., Oakland, Calif.

"I had an awful case of stomach trouble, of long standing. After eating the lightest meal, I became nauseated, could scarcely retain a thing on my stomach and gas would press up into my chest, nearly choking me, and causing my heart to palpitate dreadfully. I had splitting headaches, my back right over my kidneys felt as though it would break in two, and I was almost frantic at times with my nerves. I could sleep but very little, and as I could find nothing to help me, I got so weak and run down I only weighed a hundred pounds."

"But Tanlar has simply made a new woman of me. I just feel fine all the time, and today I weigh a hundred and fifteen pounds. My gratitude to this great medicine is unbounded."

Tanlar is sold by all druggists.—Adv.

MR. BURTON has come to the conclusion that the idea of the framers of the treaty-making power vested in a senate should be final and conclusive, tent was not fully realized, because of conferred on the House. As matters stand, a practical application of the idea, times the authority of the House is the House, rather than the Senate, has appropriations. If the treaty involve then, it cannot be carried out without a House, for "all bills for raising revenue in the House of Representatives."

Mr. Burton's opinion is not new. The matter will doubtless have to be later by the Supreme Court. In the meantime, enough to justify candidly.
