They Want Their Mama So She Leaves U. S.

NEW YORK, May 26.—Lady Nancy Astor slipped out of a dignified role of stateswoman and feminist leader Monday night, and was just plain mother for a few minutes. A few minutes before she was due to address a throng of admirers at her farewell dinner she was handed a cablegram. It read:

"Ladybug, ladybug, fly away home. Your house is on fire, and your children all gone."
(Signed)

- "BOBBY,
- "BILLY,
- "WISSIE,
- "DAVID,
- "MICHAEL,
- "JACKIE."

"Those," she explained, "are my children. Evidently I shall have as warm a welcome at home as I have had here."

Lady Astor sailed for England Tuesday morning, aboard the Aquitania.

SERVICES MEMORIAL DAY.

Island City Church will hold services Memorial Day, May 30, at 10:30 a. m. with Rev. Jas. Leitch and other speakers on the program. A basket luncheon will be served at the church at noon and at one o'clock in the afternoon the graves will be decorated. All members and friends are asked to bring their baskets. Cream and coffee will be served free.

Whooping cough.

This is a very dangerous disease, particularly to children under five years of age, but when no paracetamol, codeine or other opiate is given, it is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.—Adv.

Leavening Strength Tells the Story
The price you pay for baking powder doesn't determine the results you will have on bake day— it's the leavening strength that counts.
You may buy a baking powder for less than Calumet and think you are practicing economy. Don't be misled—the baker who you deal with will make those that are successful exorbitant in cost.

CALUMET BAKING POWDER

has successfully proven, during the past thirty years, that it contains more than the ordinary leavening strength. That's why bakers where it is employed never fail to raise properly.
Calumet is used by more housewives, leading chefs, domestic scientists, restaurants, hotels and railroads than any other brand. Millions buy it—you should try it.
A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

M'KAY TELLS HOW HE STUCK TO HIS TRADE

Portland School Employes Declares He Thought He Would Have to Give Up Until Tanlac Came to His Complete Relief.

"If it wasn't for Tanlac I believe I would have to quit the painting business," said C. B. McKay, 3733-69th St., Portland, Oregon, painter employed by the Portland school board. "My stomach, kidneys and bladder troubled me a lot and my appetite

was so bad I had to force myself to eat to keep going. My back hurt me so at times I thought I could not continue work. I lost much weight and kept getting weaker.
"I used to think paint fumes increased my trouble, but anyway nothing did me any good until I took Tanlac. My appetite came back and I feel altogether a different man. I advise all painters who suffer to take Tanlac, for it is simply a wonderful medicine."

Tanlac is sold by all good druggists.—Adv.

SKAGGS Cash

New Skaggs Store

Money saving UNITED STORES stores

We have bought the Klean Kut Kash store at 1109 Adams avenue, La Grande, and are busy this week remodeling, restocking, and repairing, and will be open for business

Saturday, May 27th

SKAGGS UNITED STORES are the largest chain of individually owned and operated stores and markets in the Pacific Northwest, are not (so-called) co-operative, with no outside stock or interest holders, are not affiliated with any other store, or group of stores, have never been a party to a trade agreement any time, anywhere, and have never conducted a sale.

Our purchases aggregate millions of dollars yearly, which, together with our accounting, is done in centralized locations where many stores may be handled by one office, with a tremendous saving resulting.

We purchase only brands of nationally, or locally known products, and sell them on a money back guarantee always.

WE SELL FOR CASH—AND CUT THE PRICE

The growth of SKAGGS STORES and the SKAGGS STORE idea of merchandising has been phenomenal even in this day of bigger things, and the total expansion of our system has been due to public popularity and patronage.

In many towns we have been able to save the buying public 15% on their foodstuffs, (the same quality and brands they were accustomed to using) some even more and some less, but we have never entered any town anywhere at any time without generally lowering the price of foodstuffs to the consumer, and we do not expect La Grande to be an exception.

To the railroad man in particular, who has a fixed income and can by a little shifting about arrange to pay cash, you will find this new SKAGGS STORE just as well able to serve you as other SKAGGS STORES you might have known in Boise, Pocatello, or Nampa, Idaho; Ogden, Salt Lake, Utah; Rock Springs, Wyoming; Oakland, California; or Portland, Oregon. And to all we extend a cordial invitation to visit us, get acquainted with our store, our sales idea, our personnel, and
