HOOT GIBSON AT STAR SATURDAY.

Hoot Gibson has another name, of course—Ed Gibson. But no one has called his Ed for years. "Hoot" has stuck and "Hoot" he'll always be.

Later, he joined Bud Atkinson's circus and went to Australia. Then, in 1911, he went into motion pictures with Selig, Kalem and the Universal. After years of experience the best of his work can be seen in "The Fire Eater," the Universal special attraction at the Star Theatre Saturday and Sunday. It is a forest ranger with amazing precocity and intrepid spirit that he will, in this.

AT SHERRY'S, LAST DAY OF "PARDON MY FRENCH."

Vivian Martin, in her second Messmore Kendall production, "Pardon My French," plays a part which she never was forced to play in real life—that of a barn-stormer. The story deals in part with a young actress out with a road company which, in the usual manner of such companies, goes broke, leaving everybody stranded, including the heroine, Polly, played by Miss Martin. Miss Martin herself has had a far more successful stage career than the out-of-luck Polly.

"Pardon My French" is a real Vivian Martin vehicle—light, entertaining, amusing and with many dramatic and holding passages. It is the kind of story which Miss Martin has made peculiarly her own on the screen, half comic and half dramatic, and it will certainly increase the already nationwide popularity of the charming star.

Also showing "Miracles of the Jungle."

POLA NEGRI SUPREME IN "ONE ARABIAN NIGHT."

An epic of the screen. Much as that phrase implies, it is weak to describe "One Arabian Night," which began an engagement at the Arcade Theatre yesterday. It is a First National attraction, directed by Ernst Lubitsch and starring Pola Negri, the incomparable.

Lubitsch plays an important role, that of the hunchback clown, and it is difficult to say in which part he charge. Work guaranteed. Call Newlin Book Store for appointment. Roy E. Phillips. 4-15-17

excels—as director or as actor, but in both he is masterful.

We freely predict that "One Arabian Night" will become one of the most talked-of pictures in the history of the cinema industry. There is not a flaw apparent in the entire production. It is Art in a superlative degree, blended with perfect direction and perfect acting.

CHARLES CHAPLIN WILL BE SEEN IN "PAY DAY."

Charles Chaplin's latest comedy release, "Pay Day," which is being distributed as a First National attraction, opens a run at the Star Theatre Saturday. Advance notices tend to the belief that this vehicle will rank among the best productions the star comedian has ever offered.

In addition to starring in the picture, Chaplin holds the dual role of director and author, for "Pay Day" is an original story by him which he directed.

Lumbago.

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quite and have Chamberlain's Liniment applied and a quick recovery may be expected.
