**What is the Temperature of YOUR Refrigerator?**

**THE EFFICIENCY of a refrigerator is purely a matter of temperature. A refrigerator that permits warm air to leak in is an expense no matter how little you pay for it.**

**We Don't Talk Merit Into a Product--It Must Be There.**

We don't relish the idea of selling merchandise where quality is found only in "talk." Before we recommend any article, we first make certain that it will live up to all we might say it will. Believing in fullest protection for our customers as well as ourselves, you may expect each and every refrigerator to serve you just as we say it will.
