

For Charm at Home or on Vacation
Mina Taylor Dresses

When dresses so beautiful in color and fabric are also so reasonably priced, an announcement of a new collection is an event.

A delightful fact about Mina Taylor Dresses is that, for all their loveliness, they will bear the most critical examination as to seams, buttonholes, buttons, etc. Never was workmanship on tub frocks more carefully watched—never were values better than we offer you in this new collection, ready today.

Groups both for home wear and for "dress up" occasions are included in our present styling. Do see it at your earliest convenience.

The preliminary showing of the war films "Powder River" was held this morning in the Star Theatre and they proved to be all that advance notices credited them. Courty Cook is in charge of the films, which are being shown under the auspices of American Legion Post No. 43 tomorrow evening at the Star Theatre. The films are the cream of the pic-

ture taken by the United States Signal Corps during the great war and depict practically every section of the front, showing many action pictures which make the casual observer iten to "go over the top" with the boys.

An item of special interest is the showing of two thousand feet of film taken from the German submarine U-35 which show the sinking of many Allied ships. Although the lifeboats in most cases were allowed to be lowered, the pictures indicate that the Huns managed to carry out their axiom that "dead men tell no tales" even in regards to those would-be survivors.

LENINE IMPROVING.
MOSCOW, June 14.—"Lenine has not lost any of his faculties and is progressing satisfactorily," Dmitri Oulianoff, the premier's eldest brother, told the correspondent Monday.

"All rumors that he is paralyzed are absolutely untrue. He is able both to write and walk," he added.

ISLANDERS TO PLAY IN U. S.

(By Associated Press)
SPOKANE, Wash., June 14.—A two-game series between the basketball teams of the Outrigger Canoe club of Honolulu and the Spokane Amateur Athletic club will be played in Spokane during the 1922 season, according to an announcement here following completion of arrangements between Manager Joe S. Bain of the athletic club and Secretary P. H. Nottage of the Honolulu organization. The games will probably be played about the middle of January.

The Honolulu club developed a high-caliber team last year, according to Mr. Nottage and as a result has decided to tour the western section of the United States this year. The trip will be the first ever taken to the mainland by the island club team. The Honolulu team plans to play games against the leading teams of the Pacific coast and northwest collegiate conferences besides meeting a number of northwest club teams. The trip is planned to consume January and February.
