GOLF BECOMING DEMOCRATIC (By Associated Press) CLEVELAND, June 16.—For the first time in the history of golf in this country a tournament will be held to decide the public links championship of America. The event will be held in Toledo in early August.

Some splendid golfers have been developed on the public links throughout the country and if a number of them assemble, the tournament is certain to develop a high quality of play, according to local experts.

Jimmy Manion of St. Louis was described as probably the most celebrated links product of recent years.

THEATRES AT SHERRYS—LAST DAY A picture that shows the strange places of the earth, without losing the gripping elements of its story is "Forever." Paramount's screen version of George Du Maurier's novel, "Peter Ibbotson," which will be in the dream scene Elsie Ferguson and Wallace Reid are costars in this great George Fitzmaurice production.

In the drama scene Elsie Ferguson and Wallace Reid are revealed in a gondola in a Venetian canal in an ice palace in Russia, at the circus Maximus in Rome on the desert sands in Algeria, and at various show places in England and France.

In point of expense "Forever" is one of the foremost picture productions of the year. The sets are exact copies of the places they represent, having been made from photographs and old prints of the days about which George Du Maurier wrote. The supporting cast is one of the strongest assembled in any recent picture and includes, besides the stars, Montagu Love, George Fawcett, Elliott Dexter, Barbara Dean, Dolores Costello and others.

Also showing a two-reel comedy.

GREAT ACTION PICTURE FOR CONSTANCE BINNEY A wholly different type of photodrama is "Midnight," the latest Realart picture starring the winsome Constance Binney, which is showing at the Arcade Theatre tonight only.

Tremendous action is crowded into the ten minutes between ten minutes to twelve and midnight.

Miss Binney's portrayal of Edna Morris is to be ranked among the greatest characterizations of the screen.

An exceptionally good cast is in support, including Jack Mulhall, William Courtleigh, Sidney Bracey, Arthur S. Hull, Herbert Fortier, Helen Lynch and Edward Martindel. Major Maurice Campbell directed this picture, with Walter McLead as his assistant and H. Kinley Martin at the camera.

Four pleasing acts of Vaudeville headed by the "Three Dancing Girls" will also be presented.

BASED ON PRIZE PLAY. "Miss Lulu Bett" is Picturization of Famous Stage Success.

"Miss Lulu Bett," Zona Gale's prize play based upon her own novel, which was produced with big success on Broadway in 1920, has been picturized for Paramount by William De Mille

and it will be the feature at the Arcade Theatre Tuesday and Wednesday, Clara Benanger adapted the play and novel for the screen. The title role is played by Lela Wilson and others in the cast include Milton Sills, Theodore Roberts, Helen Ferguson, Mabel Van Buren, May Gorce and Clarence Burton. Miss Gale's dramatization of her own novel was awarded the Pulitzer prize of \$1,000 for being the best American play produced during the season 1920-21. The story is most appealing and there are many dramatic moments in its development.

GARDENS FILLED TO OVERFLOWING BOTH SATURDAY AND SUNDAY NIGHTS. The Gardens, now housing the famous Kelly Comedians, was filled to overflowing both Saturday and Sunday evenings when "My Jim," a four-act drama, was shown. On Sunday evening the seats were filled fifteen minutes before the curtain rolled up and many people were forced to secure the best seating possible.

"My Jim" proved to be a drama of high appeal, interspersed with comedy lines that received many a hearty laugh. Jim, the farmer boy, was a scream in the first three acts and he took his audience completely by surprise when, in the final show down, he appeared on the scene a well-dressed gentleman, instead of the ignorant country boy, and vanquished the villain who would have taken the parental farm away or have forced the daughter into an unwished-for marriage.

Those who attended went away feeling that Kelly's are just as good, if not better than the year before, and many favorable comments were heard as the audience passed out.

The management announces that the Tri-City Musical Revue of 1927, a musical comedy of high quality is sure to please, will begin next Monday, and after their run another of Kelly's famous troupes will be on the bill to entertain the La Grande patrons.

Recommend Chamberlain's Tablets.

"Chamberlain's Tablets have been used by my husband and myself off

and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Mimsa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.—Adv.

Here She Is—Good As New

"With cylinders REGROUND, AND FITTED WITH McQuay-Norris Piston Rings, Pistons and Pins, your motor is practically as good as new," says the cylinder regrinder.

Motorists are just beginning to realize how much added life, and mileage, can be given their cars by having cylinders reground, and new rings, pistons and pins installed. When these three vital units are renewed in a reground cylinder block, the result is practically a new motor.

In every section of the country are shops which specialize in regrounding—equipped with special tools and machinery for this work.

Your repairman can tell you whether new piston rings alone are all your motor needs to bring back its lost power, or whether the cylinders of your motor need regrounding and complete new ring, piston and pin equipment.

There is a McQuay-Norris Ring—made from Electric Iron—for every purpose and price; specially designed and manufactured for replacement purposes—each type designed for the particular motor it fits. All standard sizes and over-sizes.—An extract from McQuay-Norris, Saturday Evening Post.
