## GOODING OFFERS A SCHOLARSHIP

Gooding college, of Gooding, Ida., has announced, through its board of trustees, a \$50 scholarship to the honor graduate of the La Grande high school for the year beginning September 11.

In addition to being a good student, the applicant must have the unqualified endorsement of the superintendent or principal under whom he did his work and submit a complete record of his studies and student activities. In order to hold the scholarship, he must live clean, maintain his record as a student and uphold the ideals of the college.

Though organized less than five years ago, Gooding college had an enrollment of 173 this past year, took first place in the inter-collegiate track meet and in the oratorical contest of Southern Idaho and graduated six students with the bachelor's degree. In addition to a full liberal arts course, it offers freshman and sophomore work, the same as given in the best colleges and state universities, to those intending to major in engineering, medicine, law, agriculture and similar subjects.

The complete list of the present members of the board, the action of which makes this honor scholarship possible, includes: Bishop Charles Wesley Burns, Helena, Montana; Senator F. R. Gooding, Washington, D. C.; Governor D. W. Davis, Boise; E. C. S. Brainard, Payette; C. H. White, Portland, Oregon; H. W. Parker, Nampa; J. A. Clydennine, Boise; J. E. Baker, Gooding; W. W. Van Dusen, Fruitland; J. D. Gillman, Blackfoot; H. S. Hamilton, Pocatello; F. W. Hastings, Wendell; E. L. White, Twin Falls; W. M. Ewing, Boise; Ira K. Aldrich, La Grande, Oregon; E. L. Ashton, Twin Falls; High Wilson, Joseph, Oregon; C. P. Borden, Shoshone; John Thomas, Gooding.

## SHOT BY ACCIDENT

(By Associated Press)

SALT LAKE, June 20.—Henry Calton, 16, son of a Salt Lake policeman, is dead as the result of a bullet wound accidentally inflicted at the hands of his 15-year-old cousin. Young Calton suffered his injury four days ago, while the boys were at play.

## RAILROADS TO FIGHT LOW RATES

PORTLAND, June 20.—Transcontinental railroads serving the northwest, in collaboration with railroads of the southwest, have agreed to go before the interstate commerce commission with the request and recommendation that no reductions be made on lumber shipments to Omaha, Kansas City, St. Paul and Mississippi river territory.

This announcement came Saturday as a surprise, since local shippers and producers of lumber had assumed that, following the decision of the commission, the rate reductions would come promptly, particularly on heavily-used commodities, which the commission urged be given attention first.

The request would affect a controlling territory in the lumber market and retard the opening up of business, which has been waiting for cheaper rates on lumber for building purposes in the Middle West, according to local lumber and rate men.

## The Arrolite Auto Signal

WHY THE ARROLITE SIGNAL IS THE BEST

- FIRST: Because it is the simplest and most compact turn and stop signal on the market. Tail light, signals and number plate—all in one.
- SECOND: Because it is the only signal on the market which has pilot lights in switch in series with signal lights. This gives driver positive assurance that proper signal is given. It also insures a light at all times; for if any light of the series breaks or burns out, the pilot lights will not light up.
- THIRD: Because it is the easiest to install. The signal fits any tail light bracket and the switch is clamped to steering column, thus eliminating jangling of fenders or mutilation of car in any manner.
- FOURTH: Because it is a day as well as a night signal.
- FIFTH: Because there is nothing whatsoever to break. It has passed the test of vibration on the large oil trucks all over the State of California.

## LOSS OF SIGHT NO HANDICAP

(By Associated Press)  
ST. LOUIS, Mo., June 20.—Loss of his sight proved no handicap to William D. Ely in obtaining his law degree today. Mr. Ely, blind for more than eight years, is entitled to style himself master of laws, having received the degree at the commencement exercises of St. Louis University at the closing of the school year.

Ely who was an accountant employed by one of the largest banks of the city, acquired during that time a business training which he declared prepared him for the study of law. His fortune fell upon him, and within a short time he lost his only child and wife. The double shock brought him to complete prostration from which he recovered, minus his sight.
