LABOR BANKS BEING FORMED

(By Associated Press)
CLEVELAND, O., June 20.—Five cooperative labor banks are being organized in the United States, and one was recently opened in Chicago, according to the Locomotive Engineers Journal. Another, the Brotherhood of Locomotive Engineers Cooperative National Bank, has been in existence a year and a half, and its reported resources are nearly \$15,000,000.

The Brotherhood of Locomotive Engineers Holding company has bought control of the Nottingham

Savings and Banking company of Cleveland, which is capitalized at \$75,000 with reported resources of \$25,000 and has one of the oldest savings bank charters in northern Ohio. The Brotherhood of Railway and Steamship Clerks has instructed its grand officers to organize a bank with a probable capital of \$500,000. The executive board of the Order of Railroad Telegraphers has obtained a charter for a bank capitalized at \$500,000 plus \$100,000 surplus. Workers of Birmingham, Ala., are organizing the Federated Bank and Trust company, with a capital stock of \$50,000. Representatives of the four transportation brotherhoods in Minneapolis, Minn., have applied for a charter for a national bank to be capitalized at \$200,000 in the twin cities.

The new Chicago bank is that of the Amalgamated Clothing Workers, capitalized at \$200,000.

CHICAGO CRYING FOR MORE MEN

CHICAGO, June 20.—Signs of the times are seen here in the changing of the cry for "jobs" to the outbreak of signs for "men."

Requests to the Illinois State Free Employment office jumped from 5584 in March to 6669 for the first 25 days in May.

"Within 30 days I feel sure that any man who will work will be able to get a job," Charles J. Boyd, secretary of the employment service declared.

"Huge increases in building activities presage even larger demands for men this summer, Boyd stated. Need for labor from basic industries is also on the upturn.

Couldn't Be Lasting.

"I knowed the job wasn't giner last long," said Uncle Eben, "when I found out I was expected to assist a man to help a man dat was passin' de tools to another man dat wasn't doin' much work in de first place."

THE LARGEST CHAIN DEPARTMENT STORE ORGANIZATION IN THE WORLD

ORPHANS HAVE THEIR OWN CITY

(By Associated Press)

ALEXANDROPOL, Armenia, June 20.—A city of orphaned Armenian boys, five thousand of them, supported by American contributions and supervised by American teachers and doctors, is Polygon, a suburb of Alexandropol, midway between the Caspian and Black seas. The establishment, doubtless the largest orphanage in the world, is maintained by the Near East Relief and the more important of the many stone buildings scattered over 200

acres will hereafter bear the name of an American state. Then this state will be invited to contribute to the support of its house. The cost of caring for an orphan boy in Polygon is about \$5.00 a month. Various buildings already have been dedicated. "Massachusetts House" is a dormitory for 250 boys and one of a group of 15 such houses. The state was represented at the ceremonies by Mrs. R. H. Uhlis, of Pittsburgh.

"Connecticut House" is a hospital with 300 beds under the direction of Miss Elizabeth Thom, of Chicago. The medical and nursing staffs are entirely Armenian. Connecticut was represented on dedication day by Miss Caroline Stillman, of New Canaan, who is director of education for the entire group of buildings. 4

"Washington House," named at

ter the State of Washington, is designed as the residence of the American personnel. The state was represented at the dedication ceremonies by Alfred D. Merritt, of Tacoma.

KLANSMAN LOSES JOB.

(By Associated Press)

SALEM, June 20.—Removal of Dr. Ellsworth, of Pendleton, said to be an acknowledged member of the Ku Klux Klan, from the state board of chiropractic examiners, "for the good of the service," was announced by Governor Olcott today. Dr. T. Brown of The Dalles was appointed to succeed Dr. Ellsworth.

STUDENT BRICKLAYERS.

(By Associated Press)

COOS BAY, June 20.—John Mirnsoul and George Gunnell, local high school students, took a course in brick-

laying under the direction of E. J. Dexter, an experienced bricklayer, during the high school semester just closed. The boys made fine progress in their work, according to Dexter.

Fashion Knew No Mercy.

In the days when gull wings and breasts were in demand for women's hats and when the law afforded no protection to the feathered tribes, they were slaughtered by thousands all along the coast. Millinery agents from New York would conduct expeditions, accompanied by expert skinners, to the breeding grounds of the seafoal and hire local gunmen to do the killing. One woman in a single season brought back 10,000 tern skins from Cobles Island, Virginia. More than 500,000 tern skins were collected in one season in the sounds of North and South Carolina.
