LUTHERANS WANT WINE. SALEM, June 26—A demand for real wine for use in the celebration of the Lord's supper is voiced by the Lutherans of the Washington-Oregon district in resolutions adopted at Friday's session of the annual convention in session here this week. "We must regard it as commanded by our Lord that we abide by the use of real wine in the sacrament, even in the face of popular disfavor or prosecution," the resolution reads.

Success. Success is a poor man's dream and a rich man's responsibility.

THEATRES

HERBERT RAWLINSON AT ARCADE TONIGHT ONLY

Local play-goers who will attend the Arcade theatre tonight will have a pleasant evening's entertainment watching Herbert Rawlinson, the popular young Universal star, extricate himself from a number of dangerous situations as the hero of "The Black Bag," a film play based upon Louis Joseph's Vance's novel of the same name. This is another of those delightful "crook" plays in which the public has learned to like Rawlinson's sunny screen personality. He is at his best in "The Black Bag."

The story concerns a young man, spending his vacation in New York, who gets mixed up in the theft of a diamond necklace, through trying to aid a pretty girl he has been told has stolen it. The young man surprises a burglar in her home and to save the gems from the intruder takes them to his own hotel room, whence they are stolen again. There is an exciting water race in which the hero gives chase in a fast motor boat, recovers the necklace and brings back the real culprit, only to be arrested at the dock as one of them.

Rawlinson is ably supported in his latest starring vehicle by Virginia Valli, Bert Roach, Clara Beyers, Charles L. King, Herbert Fortler, Lou Short, Jack O'Brien, Dick Sutherland, Arthur Hoyt and William DeVall.

AT SHERRY'S LAST DAY

A Wild West exhibition that rivals the frontier days at Cheyenne, Wyoming, was staged at the Lesky ranch in connection with the filming of Gloria Swanson's latest Paramount picture, "Her Husband's Trademark," showing for the last time today.

Pencho-busting, rope-throwing and bulldozing stunts by cowboys and Mexicans made up one of the thrilling scenes in the picture at the Spanish ranch house.

A big feature of this sequence was an old-fashioned Spanish barbecue. For this a group of Mexican barbecue experts were hired by Sam Wood, the director to cook the meal. Huge quarters of beef were wrapped in bull-lap, put on the grill covered with dirt and roasted. When the meat was cooked it was placed on large pancakes of Tortilla, Mexican hard bread, to be eaten. After the scenes were filmed, everybody had a regular feast. Local newspaper representatives attended the barbecue, which was somewhat of an event in the annals of film novelties and the newspaper people, like actors, had excellent appetites.

Also showing "A Chill Romance," two reels.

Varsity Players at Arcade Wednesday

The Varsity Players differ from other types of stock companies in that its large group of actors to choose from enables it to select as its leads the exact type for the part. Director Cushman, who is remembered for his farcical interpretation of the slightly intoxicated husband in "Her Husband's Wife," of last season, again directs the company, and plays the part of a ranchman from Wyoming who falls in love in cave man style with a spitty little maid in an Eastern summer resort, and is all for carrying her right back to "the second best neighborhood in Wyoming." Mr. Cushman has played a wide range of parts in the east, varying from

such as the "Man on the Box" to Ibsen's "Ghosts." A good deal of his work in the east has been with little theatres, producing both in Boston and Syracuse. "Her Money Man" will be the attraction at the Arcade theatre Wednesday night.

Ballet of La Grande Girls to Be Added Attraction at the Gardens

That the audience at The Gardens tonight will be thoroughly entertained is a certainty. The Kelly show, in staging "45 Minutes from Broadway," Geo. M. Cohan's masterpiece, have engaged a coterie of local girls to work in the ensemble numbers.

Mr. Keown has painted new scenery for the production and we are going to see how good our girls are, backed up by special scenery and lighting effects and associated with professional talent.

The line-up of girls will include Myrtle Mason, Edna McGuire, Maurine Earhardt, and Avis McGuire. Mr. Berg will play the famous part of Kid Burns and Miss Broeche will show her versatility as Mary.

The songs from "45 Minutes from Broadway" are beautiful and this will probably be the biggest evening's entertainment of this company's run.

Here She Is—Good As New

"With cylinders REGROUND, AND FITTED WITH McQuay-Norris Piston Rings, Pistons and Pins, your motor is practically as good as new," says the cylinder regrinder. Motorists are just beginning to realize how much added life, and mileage, can be given their cars by having cylinders reground, and new rings, pistons and pins installed. When these three vital units are reground in a reground cylinder-block, the result is practically a new motor.

In every section of the country are shops which specialize in regrounding—equipped with special tools and machinery for this work. Your repairman can tell you whether new piston rings alone are all your motor needs to bring back its lost power, or whether the cylinders of your motor need regrounding and complete new ring, piston and pin equipment.

There is a McQuay-Norris Ring—made from Electric Iron—for every purpose and price; specially designed and manufactured for replacement purposes—each type designed for the particular motor it fits. All standard sizes and over-sizes—An extract from McQuay-Norris, Saturday Evening Post. You can get quick service from us.
