SHIRTS

DON'T let a low price lead you into a low service shirt. Good shirts do cost a little more than the so called "special" shirts, but they last a good deal longer. It's like buying a cord tire. The first investment may be a bit larger, but the "wearage" you get out of the shirt more than squares you on the additional outlay. It's worth your while to look into our Arrow showing.

Select one now for the 4th. Prices from \$1.85 to \$6.85. Sizes 14 to 18.
