

FAMOUS HORSE IS MOURNED

(By Associated Press.)
BUENOS AIRES, June 27.—Argentine lovers of horse flesh are mourning the death of Botafogo, more, perhaps, than would Americans if Man-O-War or Morich were to die, for Botafogo really was one of the most remarkable thoroughbreds in the history of the turf.

He won 18 out of 19 starts by "many lengths" and then in a special match race defeated his only conqueror, Gray Fox, by leading him at the end of 3,000 meters. The match race was the result of active public demand and many thousands were gathered on the results, so intent was the populace upon seeing its favorite restored.

The race was a thriller. Botafogo first took the lead and then relinquished it, the two steeds exchanging places with the turn of almost every furlong. Cheers of the crowds changed abruptly to maddening groaning and back to cheering as the race progressed.

On the home stretch Botafogo was given his head and leading into a hurricane sprint he finished so far ahead of Gray Fox that some spectators ran between the two.

Tuesday, June 13th, Mrs. George Tucker was hostess to the Get Together Club. The weather was fine and a goodly number of ladies were present. This being Mrs. Tucker's first time entertaining made it doubly interesting to all. The usual business meeting bills were paid and flowers ordered for Miss Helen Peebler. The hostess served a delightful luncheon at the close of a pleasant afternoon. The next regular meeting will be at the Frank Wilson home.

Miss Ruth Drummond has been quite sick this week but is some better at present.

Mrs. Ula Daugherty and little daughter, Dorothy, from Walla Walla, are spending a few weeks with Mrs. Daugherty's parents, Mr. and Mrs. E. T. Peebler.

E. T. Peebler was elected director on the school board at the annual meeting Monday and Mrs. Leola Peebler Clerk. Mrs. Peebler has been a good clerk and we are glad to have her accept this important office as she is well up with the requirements. The board agreed to give the school to Mrs. Jennie O'Bryant, who is highly recommended and has had eleven years' experience in this county.

The new Goodyear
Cross-Rib Tread Cord

A Remarkable New Cord Tire at a Popular Price

Here is a big, sturdy, long-wearing new tire built to satisfy the buyer on every point of mileage, quality and price.

It is designed especially for the man who wants the essential advantages of cord tire performance at the lowest possible price.

It is designed to offer the buyer a quality product at a price even lower than he has formerly paid for a "long discount" tire. It has a different tread from the famous Goodyear All-Weather Tread Cord—a new tread with a deep, clean-cut, cog-like pattern—and its selling price ranges from 20 to 25% less.

This new tire is the Goodyear Cross-Rib Tread Cord.

Like the All-Weather Tread Cord it is liberally oversize in all straight-side sizes, the 4½-inch tire, for example, actually measuring nearly 5 inches.

Compare these prices with NET prices you are asked to pay for "long discount" tires

Goodyear Cross-Rib Tread Cord Tires are also made in 6, 7 and 8 inch sizes for trucks
