

TAKES A LATE PLING
(By Associated Press)
NEW YORK, June 23.—Taking a fling at Harding's administration for the attitude toward the League of Nations, the first and only Democratic James M. Cox administrative candidate for president last year again called for Europe today in a written plea which he said was the "consequence of administration" by the present administration.

SEE THEM HEAR THEM

and you will want them. Terms as you like.

Getting well goes faster by far with a Brunswick to help pass the tedious hours. And while it amuses it trains the ear to an appreciation of true tones. Musicians, musicians! The Brunswick is said to be the musical education of children.

Brunswick Records are also unique in the artistic beauty of their interpretation. A Brunswick, on a Brunswick—this is the height of musical achievement.

DOKIES WILL GIVE PRIZES AT CONVENTION

With the return from Portland of William Miller, where he consulted with the Grand Chancellor, Domain of Oregon, Knights of Pythias, the Grand Keeper of Records and Seals, Domain of Oregon, the Secretary of Portland Temple, D. O. K. K., and the president of the Portland Northwest Association of D. O. K. K. Temple, local committees in charge of the Second Annual convention to be held in La Grande September 1st and 2nd, have started on arrangements. Prize money for drill competitions and floats have been definitely fixed. The cash prizes will be distributed as follows:

Head—First prize, \$200; second prize, \$150.

Drum Team—First prize, \$150; second prize, \$100.

Drum Corps—First prize, \$100; second prize, \$50.

Floats—Best K. of P. float, \$50; best Dokie float, \$50.

The exact regulations under which the various bands, drill teams and drum corps will contest will be issued within a few days, and the exact details of the program of the convention will be an important item. The present program is only partially complete but is the nucleus it is as follows:

Friday morning, September 1st—Registration of delegates and visitors at V. M. C. A. Meeting of Delegates to Pacific Northwest Association of D. O. K. K. Temples.

Friday Afternoon—Commencement which is the only event of the convention that is not open to the public. Also automobile ride to delegates and visitors.

Friday Night—Stunt night at base ball grounds, followed by Mardi Gras on up town streets.

Saturday Morning—Competitive drills between drill teams of Northwest Dokie Temples at ball grounds. Meeting of official delegates.

Saturday Afternoon—Competitive contest between drum corps and bands in ball grounds.

Saturday Evening—Mammoth parade followed by Mardi Gras.

In the parade will be floats from Dokie Temples from Knights of Pythias lodges, bands, divans, drill teams, drum corps and marching clubs. Under this head it can be noted that a prize of \$50.00 will be given to the Knights of Pythias lodge in the county which has the biggest celebration in the marching clubs.

READY FOR THE BAKER PAGEANT

Everything is moving along swiftly in the hands of local committees so far as the La Grande representation in the Baker Pageant is concerned. The 48 committee of the Elks lodge has everything in readiness for its part in the Grizzly Gulch show at Baker on July 3rd and 4th in the evenings. The La Grande band will hold its final rehearsal Friday night and determine definitely on the march it will wear in the parade at Baker. The Motherhood float plans are maturing rapidly and committees are selecting the women and children who will represent the Pioneer Motherhood of the Grande Ronde valley on the float.

A. W. Nelson, manager of the Elks club, will take a committee to Baker Monday morning to complete the decoration of the float at Baker. The famous buggy which A. W. Ryerson and Mollie Sharp drove from Rolling Prairie, Indiana, to Buchanan, Michigan, where they were married in September 1887, and which was trailed across the Old Oregon Trail that year has been in the Grande Ronde valley ever since. Will be the principal part of another float from La Grande. Practically every garment worn on the Motherhood float and in the buggy party will be the exact garments worn by relatives in the late '80's.

Those familiar with all the plans of the La Grande floats agree that it will be dignified and a worthy representation of La Grande and environs. Some six or seven plan-

ST. CLAIRSVILLE, O. June 23.—John H. Major, steam shovel operator shot dead yesterday in an alleged attack by striking miners upon an automobile was erroneously said to have been an employee of the Caterpillar Coal company at Uniontown. Major was employed at the Union Coal Striping company with operations near Lafferty.

NAVY STILL IS THE CHAMPION

DOUGHERTSPSIE, N. Y., June 23.—The United States navy academy's eight-oared crew is still intercollegiate rowing champion of America. In the greatest aquatic battle ever witnessed on the historic regatta course on the Hudson the middle Monday afternoon repeated their triumph of 1921 by winning the three-mile varsity race from the greatest collection of colleges that ever rowed in a similar race in the history of the sport.

Forced to terrific speed by the repeated challenges of Washington, Cornell and Syracuse, the sailors from the Severn finally emerged victors by only one length over the University of Washington eight, champions of the Pacific coast. Scarcely a length behind the western shell came Syracuse and Cornell, so closely locked that it was only after a long discussion among the judges at the finish that the former was awarded the third place over the Ithacans.

Outdistanced almost from the start, Columbia and Pennsylvania fought out a duel of their own to avoid last place and in this the New York collegians were successful, leading the Quakers across the line long after the other shells had ceased their forward rowing.

So bitter and grueling was the struggle almost from the start opposed by the Columbia boat house down under the towering railroad bridge and forward through the last mile in a lane lined with yachts, excursion steamers, submarines and submarine chasers, that the midday sweep swimmers were forced to shatter all collegiate rowing records in their efforts to hold the lead. As the prow of the navy shell shot across the line, the timers caught the flying crew in the remarkable figures of 23 minutes, 35.5 seconds, thus shattering by more than half a minute the record made by the sailors' shell when they won last year by a full five lengths from California in 14 minutes and 7 seconds.

The Seattle collegians after one of the most desperate spurs ever witnessed in an intercollegiate rowing association regatta finished in 12 minutes 36.15 seconds. These times, remarkable as they are, fall even partially to tell the story of the thrilling battle of blades witnessed by fully 25,000 spectators in the feature event of the 26th regatta of the intercollegiate rowing association. Sensational as were the junior varsity race, won by Cornell, and the freshman event, captured by Syracuse, they were merely appetizers of the struggle which rowing enthusiasts have been looking forward to since the entry for the mile race was announced.

MONTESANO FORESTS AFIRE

MONTESANO, Wash., June 23.—Forest fires which started from blazes at Clemons Logging company camp 3, across the Chehalis river from Montesano, about 11 o'clock yesterday morning destroyed about 6,000,000 feet of down timber, seven camp cars and various camp buildings before it could be controlled. The monetary loss is estimated by Frank Byers, manager of the company, to be nearly \$50,000.

Donkey engines in the woods were hauled out of the danger zone or loaded on flat cars and taken out of the woods and back-firing begun as soon as the men could be collected. The fire continued all night and this morning the fire was well under control.

UNION FLOWER SHOW PLANNED

UNION, Ore., June 23.—The Union Annual Flower show will be held on Friday, July 1st, with a parade at six o'clock in the evening. This event is one of much importance to the people of Union, the first flower show having been started several years ago and last year the show was held to receive much more.

Roses, sweet peas, all other flowers will be an exhibition and will be judged to determine the various prize winners in the evening following the parade. The ladies who are in charge of the show are making extensive plans for the presentation of one of the most elaborate displays in the history of Union. Many wonderful flowers are being planned and these who are being planned and these who are being planned will do well not to miss this annual and pleasing event.

The Arrolite Auto Signal

WHY THE ARROLITE SIGNAL IS THE BEST

FIRST: Because it is the simplest and most compact turn and stop signal on the market. Tall light, signals and number plate—all in one.

SECOND: Because it is the only signal on the market which has pilot lights in switch in series with signal lights. This gives driver positive assurance that proper signal is given. It also insures a light at all times; for if any light of the series breaks or burns out, the pilot lights will not light up.

THIRD: Because it is the easiest to install. The signal fits any tail light bracket and the switch is clamped to steering column, thus eliminating piercing of fenders or mutilation of car in any manner.

FOURTH: Because it is a day as well as a night signal.

FIFTH: Because there is nothing whatsoever to break. It has used the test of vibration on the large old trucks all over the State of California.
