**Come to Think of It**  
 A man was describing to a woman the compensations of nature—how in the blind feeling of touch was acute; how those who were deaf in one ear often heard clearly with the other, and how a person blinded in one eye often sees extra well with the sound eye. "Yes," said she, "it's remarkable. And, come to think of it, I have always noticed that if a person has one short leg the other is always longer."

## THEATRES

**KATHERINE MacDONALD IS SALESWOMAN IN NEW FILM.**

If there is one occupation which most women are sure they can fill without any previous training it is that of saleswoman in a department store. It is admitted that they spend enough time in such stores to qualify them, but when it comes to acting such a role for the motion picture—that is a different thing. In her next picture, "Her Social Value," which will be shown as a First National attraction at the Arcade Theatre today and Saturday, Miss Katherine MacDonald portrays the part of a saleswoman in a department store, but to make sure that she would do it in the right manner, she spent half a day in a real department store in Los Angeles, in order to perfect herself. There are dramatic and spectacular thrills in the production, one of the latter being a realistic avalanche of rocks down a mountain side, which hurled down and hit, and knocked down trees as though they were matches. It is one of the most impressive scenes ever filmed. A late news reel is also being shown.

## NOTABLE CAST FOR NEW CECIL DE MILLE PICTURE PRODUCTION.

Notable casts have always been featured in productions by Cecil B. De Mille, but in "Male and Female," the Paramount-Attercraft screen version of Sir James M. Barrie's famous play, "The Admirable Crichton," the master director has fairly outdone himself. For the important roles in this picture, which will be shown at the Star Theatre Saturday and Sunday, some of the most prominent players in filmdom have been assembled. Thomas Meighan has the part of Crichton, the extraordinary English butler who becomes practical-

ly a king. Gloria Swanson is Lady Mary, the lord's daughter who falls in love with Crichton. Lila Lee, Paramount-Attercraft star, is her servant-maid rival. Theodore Roberts has the characteristic role of Othello in the cast are Raymond Hatton, Hebe Dan-iels, Mildred Redden, Robert Cain, Edna Mae Cooper, and Guy Oliver.

## AT SHERRY'S LAST DAY "GLASS HOUSES."

Keen approval of the "little star's" effort and the excellent story in which she appears was manifested at the Sherry Theatre yesterday when "Glass Houses," Viola Dana's newest production released by Metro, was presented for the first time in this city. It is at this point that there occurs a series of complicated adventures with Billy laboring under the impression that his wife is a notorious crook. How she clears herself and the subsequent developments in the story give Viola Dana the merriest opportunity of her career.

## "TESS OF THE STORM COUNTRY" AT THE GARDENS.

With Hilda Bronche taking the leading role, "Tess of the Storm Country," the play that earned Mary Pickford the name of "America's Sweetheart," will be presented at the Gardens tonight and tomorrow night in the farewell appearance of Kelly's Comedians in La Grande. The Tri-City Musical Revue of 1922 will be the attraction on Sunday night with Phil Berg staying over to lead the new musical comedy. "Tess of the Storm Country" is set on the shores of Lake Cayuga in New York and is a story of the York folks that has been read and reread many times by the public. Special scenery has been prepared for the play and this is the first time this show has been shown in La Grande at popular prices. Miss Bronche has played the part of Tess about 200 times, this being one of her favorite roles. As usual, Phil Berg will be on hand with his comedy lines that have made such a hit with the people of La Grande.

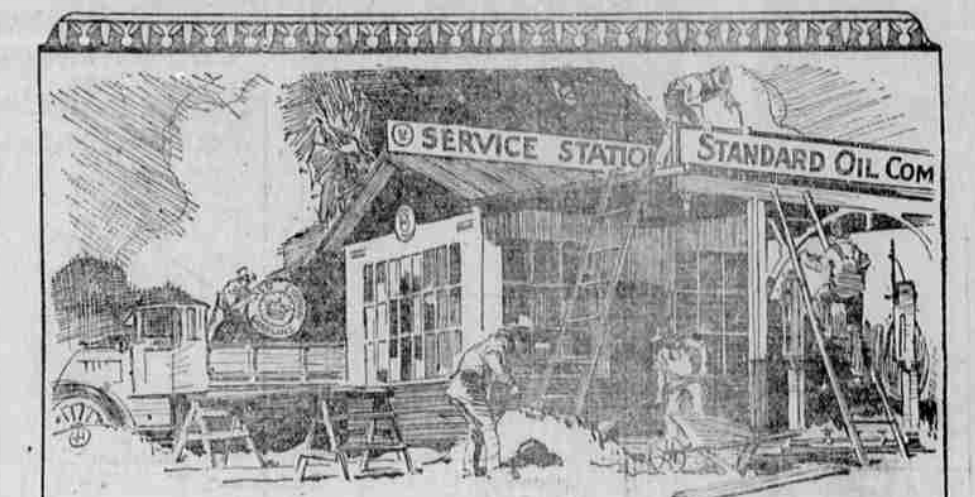

## EATS ANYTHING, GAINS IN WEIGHT AND FEELS FINE

Portland Citizen Declares Tania Did Him More Good Than Long Trip—Completely Relieved of Stomach Stomach Trouble.

"Nothing but a real medicine would do what Tania has done for me," said Rudolph Redman, 847 Kellor St., Portland, Ore. "In the past three years it seems like I have taken everything under the sun for a bad case of stomach trouble. My appetite was so poor that even the little I did eat failed to digest properly, causing me awful pain. I had severe headaches and at times when I would stoop over and so to raise up everything would be blurred before my eyes and I would nearly fall. I was so nervous the least little noise would cause me to jump. I came down to Portland from Canada, but my condition became so bad I had to lay off from time to time. But Tania has done the work for me. My appetite is just fine, I eat anything I want and the headaches and dizziness are all gone. I've been gaining in weight and strength right along and don't hesitate to endorse Tania heartily." Tania is sold by all good druggists.—Adv.

The playing of this comedy drama requires an unusually large cast, which includes fourteen people. The intermission will find a number of first class vaudeville specialties that are sure to please.

**A Standard Oil Service Station Here**

To give the motorists of La Grande our full metropolitan service, we shall open a Standard Oil Service Station at 4th and Adams streets. It will be open about July 8th.

Designed and equipped for the specific purpose of giving quick service—  
 Furnished with the latest and most accurate equipment for the storage, measurement, and delivery of oil products—  
 Placed at a convenient spot for the motorists of this city—  
 Kept constantly spick and span, both the station and its equipment and the lawns and driveways—  
 In charge of men whose courtesy and knowledge of the motorists' needs have rendered them eligible to this service. They will not only sell Red Crown gasoline, Zerolene oils and other Standard Oil products, but will offer you air for your tires, water for your radiator and other courteous attention, for which no charge is made.

Back of this station are the resources, knowledge and experience of the Standard Oil Company and its organization of more than 16,000 employees, loyal to a man, expertly supervised, and directed with one aim—to produce high-quality products and give reliable service.

**Taxes We Can Reduce**

Over 150 Years Ago Benjamin Franklin Said

"Friends, the taxes are indeed very heavy and if those laid by the Government were the only ones we had to pay, we might more easily discharge them; but we have many others, and much more grievous to some of us. We are taxed twice as much by our pride, and four times as much by our folly; and from these taxes the commissioners cannot ease or deliver us, by allowing an abatement."

**Here She Is—Good As New**

"With cylinders REGROUND, AND FITTED WITH McQuay-Norris Piston Rings, Pistons and Pins, your motor is practically as good as new," says the cylinder regrinder.

Motorists are just beginning to realize how much added life, and mileage, can be given their cars by having cylinders reground, and new rings, pistons and pins installed. When these three vital units are renewed in a reground cylinder block, the result is practically a new motor.

In every section of the country are shops which specialize in regrounding—equipped with special tools and machinery for this work.

Your repairman can tell you whether new piston rings alone are all your motor needs to bring back its lost power, or whether the cylinders of your motor need regrounding and complete new ring, piston and pin equipment.

There is a McQuay-Norris Ring—made from Electric Iron—for every purpose and price; specially designed and manufactured for replacement purposes—each type designed for the particular motor it fits. All standard sizes and over-sizes.—An extract from McQuay-Norris, Saturday Evening Post.

You can get quick service from us.
