INSITUTE A BIG SUCCESS

The Wallawa Lake Epworth League Institute closed a very successful meeting Sunday evening. The attendance was larger than in former years.

A cause taken Friday morning showed 129 in attendance, and many came for the week-end in addition to those who spent the whole time there.

Prof. Hartman, of Astoria, Rev. Clyde Walker, Payson, Idaho, Rev. Joseph Chester, of Baker, Miss Hazel Richardson, Rev. Ira Alefich and Rev. G. H. Quigley of La Grande, composed the faculty.

The new note of social service was sounded by Mr. Chester in a splendid fashion. The younger folk had jolly times around the big camp fire every evening.

Very special features noted on the program were the marriages of two young couples who were very properly and enthusiastically seconded by the whole camp.

The Methodists of the La Grande district have purchased a tract of 10 acres for institute purposes and are selling lots now, believing that a few years will see that wonderful spot surrounded by scenic grandeur one of the most widely known summer resorts in all Oregon.

Philosophy a Gratifying Indulgence. The second great discovery of the Greek thinkers was metaphysics. Now days metaphysics is revered by some as our noblest effort to reach the highest truth, and scorned by others as the silliest of wild goose chases.
