WANTS HIGHWAY SIGNS REMOVED

R. H. Baldock, division engineer of the state highway commission, has issued a circular in which he points out the danger of signs on the highway. He says:

"In addition to marring the scenic beauty of the highways, the signs create a hazard which is ordinarily overlooked, but investigation has disclosed the fact that they have been the cause of many serious accidents. Most of the signs are erected in a manner to attract the eye; the driver's attention is directed to the sign and during the interval he is reading the sign he is not watching the road, and there is danger of an accident, especially if traffic is at all congested.

"For your information will state that a car traveling at the legal speed of thirty miles an hour is traveling at the rate of 44 feet per second or 2640 feet per minute. The average reader reads only about 180 words per minute, or three words per second. It will readily be seen that a sign containing nine words will hold the driver's attention while he travels a distance of 132 feet, or more than eight times the width of the driveway. There is most assuredly a chance for an accident to happen during the interval of time the driver's attention is directed to the sign. There is no question but these signs are a menace to the traveling public.

"We have authority to remove signs which have been erected on property adjacent to the right of way without the owner's consent and we intend to take advantage of the law in this respect, but in those cases where the property owner has given his consent it will be necessary for him to rescind this permission, and I would appreciate your efforts towards advising the public of the danger attendant upon signs placed within sight of the highways, with special reference to those property owners who have given their consent for the erection of signs."

READY FOR THE BIG FISH FEED

Many anglers of La Grande who will participate in the fishing contest given by the Wing, Fin and Fleetfoot club are doing their final overhauling and planning preparatory to seeking the good holes on the various streams on Sunday and Monday in an effort to carry away some of the prizes that are being offered. And the followers of Baron Muenchausen will have a chance too, because a prize is being offered for the best hard luck story.

The prizes are a larger assortment than has ever been offered before and are creating quite a bit of enthusiasm among the followers of Isaac Walton. The prizes will be awarded as follows: 1, 2, 3, for the largest Rainbow trout, the largest Dolly Vardon and the largest Eastern Brook, 1, 2, on the largest individual catch, first on the largest party catch, and firsts for the largest whitefish, bass and the best hardluck story.

The big annual fish banquet will be held Monday evening at the M. E. church at 7 o'clock.

NAVY RECRUITING RESUMED

WASHINGTON, July 14.—After a year's suspension, recruiting for the navy under orders published Tuesday will be resumed. Sixty-five thousand men will have to enlist or re-enlist in the coming year in order to keep the navy up to the 86,000 authorized under the naval appropriation bill.

RULES FOR MRS. STOKES

NEW YORK, July 14.—Justice Cohalan of the supreme court today ruled that Mrs. W. E. D. Stokes must be given her dower rights in the $6,000,000 estate of her husband.

TEN ARE PAROLED

HONOLULU, T. H., July 14.—Ten more inmates of "Mount Happy," formerly known as the Kalihi hospital for lepers, have just been paroled by the territorial board of health as the result of treatments with the new chaulmoogra oil specific evolved by Dr. A. L. Dean, president of the University of Hawaii. They will be compelled to report only occasionally to the halth board for examinations to ascertain whether there has been any recurrence of the disease, as the treatments have checked the leprosy in their cases to such an extent that it is not considered dangerous for them to mingle with persons who are not afflicted.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he can not be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic and Diarrhoea Remedy. It costs but a few cents and a bottle of it in the house often saves a doctor's bill of several dollars.—Adv.

Here She Is---Good As New

"With cylinders REGROUND, AND FITTED WITH McQuay-Norris Piston Rings, Pistons and Pins, your motor is practically as good as new," says the cylinder regrinder.

Motorists are just beginning to realize how much added life, and mileage, can be given their cars by having cylinders reground, and new rings, pistons and pins installed. When these three vital units are renewed in a reground cylinder block, the result is practically a new motor.

In every section of the country are shops which specialize in regrinding—equipped with special tools and machinery for this work.

Your repairman can tell you whether new piston rings alone are all your motor needs to bring back its lost power, or whether the cylinders of your motor need regrinding and complete new ring, piston and pin equipment.

There is a McQuay-Norris Ring—made from Electric Iron—for every purpose and price; specially designed and manufactured for replacement purposes—each type designed for the particular motor it fits. All standard sizes and over-sizes.—An extract from McQuay-Norris, Saturday Evening Post.

You can get quick service from us.

LEIGHTON'S WELDING & MACHINE WORKS

La Grande, Oregon

OLD ROAD IS BEING USED NOW

(Special to The Observer)

[illegible] July 14.—Tom Boyer [illegible] in Hilgard and vicinity [illegible] Sunday [illegible] the interests [illegible] sheep business. He made arrangements for the separating and [illegible] Tuesday morning several [illegible] of fat lambs all [illegible] to the Pendleton Sheep Co. were loaded out of the stockyards here [illegible] Saturday night for [illegible] visited with friends [illegible] returned to Hilgard Monday [illegible].

[illegible] travel across the mountains [illegible] way of the old road as the [illegible] on the highway above [illegible] caused a temporary blockade. Although reported as very rough and rocky, the old road through Hilgard [illegible] to be the better one for going to Pendleton. It is probable that [illegible] travel will be done on the [illegible] until enough work has been done on it to improve it some extent. At present the highway is closed.

John Osburn and family moved to Hilgard from La Grande to live at [illegible] for the summer. It is hoped that the mountain air will be beneficial to Mr. Osburn, who is in very poor health.

Mrs. Geo. Baltizar returned to Hilgard Saturday evening for a two or three weeks' visit before finally taking her departure for points in Washington. She is the guest of Mrs. V. Arnoldus.

Mr. and Mrs. Wm. [illegible] and daughter, Marjorie, motored to Hilgard Wednesday evening. They were accompanied home by Miss Donna [illegible] Scott, who will be a guest at the Condit home for the week.

Mrs. Harry Kirth, daughter of Mrs. Tom Rankin, has been very ill with tonsilitis for the past week but is now much better. Mr. and Mrs. Kirth are visiting in Hilgard during the summer months.

The country around Hilgard is fast becoming very dry and there is much likelihood of numerous fires unless there is rain soon. Quite a fire can be seen from the highway below Hilgard on the east side of what is commonly known as "Peach Gulch." How it became started is not known.

Shorty Cray camp-tender for Arriba Bros. who run sheep in Starkey, was in Hilgard for a load of supplies.

Wm. Hillhouse was in Hilgard Saturday for a load of rock salt for Rugg Brothers.

Mrs. George Hilyard and children spent Saturday shopping in La Grande.

Duncan McDonald of near Imbler was in the hills Sunday looking after stock in his pasture near here.

To you, our Neighbors

We have come to be your neighbor in La Grande through the opening of our Service Station at 4th and Adams streets.

We aspire to be a "good neighbor"—making our home good to look at and pleasant to visit.

The experienced salesmen in charge are trained to know the needs of your motor. You will find them alert and skillful in supplying these needs. They are there not merely to sell you Red Crown gasoline, Zerolene and other Standard Oil products, but to supply air for your tires, water for your radiator, information and other courtesies of the motoring fraternity.

When you call at our Service Station you will be our guests. Everything possible will be done to make your visit a pleasure.
