### REAL SURPRISES WOMAN.

VANCOUVER, Wash., July 19.—Mrs. Metta Wilson, who lives at Vancouver's edge, heard a noise on the top of the house Monday morning at 2 o'clock. She went outside and called "What are you looking for?"

Then a black bear jumped into space and landed her down as it went. It was a large black bear, and his nose was the color of her night gown, and with one paw shook his claws into the flesh of her leg above the knee. Then the bear disappeared into the darkness.

Mrs. Wilson's injuries are not serious.

### Biliousness and Constipation.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been until I met Chamberlain's Tablets. The tablets relieve the billiousness at once, strengthen the digestive function, helping the system to do its work naturally," writes Mrs. Rosa Botta, Birmingham, Ala.
