CO-OPERATIVE PLAN EVOLVED

Wisconsin Tobacco Growers Have Perfected Details for Marketing Their Product.

(By Associated Press)

MADISON, Wis., July 26.—Tobacco growers of Wisconsin are perfecting the details of their co-operative marketing pool recently organized to handle the warehousing and sale of the 60,000,000 pounds of tobacco that the farmers expect will be grown in the state this year.

Nearly 85 per cent of Wisconsin's 40,000 acre tobacco crop was contracted for by the pool in its membership drive just completed. Organizers of the co-operative marketing association, the largest ever undertaken in the state, are now confronted with the problem of financing initail funds of $5,000,000 according to estimates of the state department of markets.

With financial aid virtually assured by Wisconsin banks, the organization is getting under way. Warehouses are to be purchased in the growing centers of the state, a sales manager engaged by the board of directors, and a complete marketing system perfected before the crop is cured and ready for the tobacco market late this fall.

Wisconsin's product makes up a large part of the wrapper tobacco for cigars. Nearly all of the 60,000,000 pounds produced annually goes for this purpose, ant commands a high price on the markets of the country. Two principal growing sections of the state are in the northwest counties and the southern counties.

The success of the tobacco pool, which was organized under direction of the state department of markets, means the operation during the present year of this state's largest co-operative enterprise. The value of its product is expected to total more than that handled by the Wisconsin cheese producers federation, one of the successful cooperative undertakings engaged in by Wisconsin farmers.

Through the department of markets, created by the 1921 session of the Wisconsin legislature, farmers' cooperative enterprises are being fostered generally in the state. Several hundred cooperative shipping association and local marketing associations have grown up in recent years, which are now receiving counsel and aid from the state department.

The state cooperative association law was completely remodelled by the last session of the legislature to provide for the growth and supervision of farmers' marketing enterprises. It is under this law that the tobacco growers have formed their organization.

HIRAM PLEASES AUDIENCE.

The show at The Gardens last evening, "Hiram, the Country Boy," was pronounced a decided success by those who saw it, the plot being interspersed with side-splitting comedy situations and with first class musical numbers.

The part of Hiram was portrayed by Phil Berg, who has been Abie, the Jew, for the last few weeks. Hiram was just as funny as could be expected, which was very funny. The same bill will be shown this evening.

The beauty contest is still drawing the attention of many and several girls are running a close race for first place. Quite a number of men are also prominent in the race for the homliest man in La Grande.

Defendants.

NO. E-8618.

RESTRAINING ORDER.

THE PRESIDENT OF THE UNITED STATES OF AMERICA, to each of the above named defendants, respectively, and to all other persons members of the aforesaid Federated Shop Crafts, or otherwise affiliated, combining, conspiring, agreeing or arranging with them:

WHEREAS, it has been made to appear on the verified Bill of Complaint filed on the 25th day of July, 1922, presented to the Honorable Charles E. Wolverton, Judge of the United States District Court for the District of Oregon, that a restraining order, preliminary to hearing upon a preliminary injunction, is necessary and proper, and that prima facie the plaintiff is entitled to such order restraining the defendants herein and all those affiliated, confederating, combining and conspiring with them and each of them from doing the acts complained of and threatened to be committed.

AND IT APPEARING TO THE COURT that the injuries threatened are great loss and destruction to plaintiff's property, wrongful and unlawful interruption of and interference with the conduct of plaintiff's business as a common carrier and carrier of the United States mails, preventing the plaintiff from performing its duties under the Act to Regulate Commerce, the Transportation Act of 1920 and other acts of Congress applicable to railroad companies, and threatened intimidation of and personal injury to plaintiff's employes and those desiring to enter its employment.

AND IT FURTHER APPEARING TO THE COURT that immediate and irreparable injury, loss and damage will result to plaintiff before notice can be served and hearing had thereon for the reason that it appears that acts of violence have occurred and are being threatened by the above named defendants and other persons combining, conspiring and arranging with them, and that such persons have congregated in large and threatening groups about plaintiff's premises, its line of railroad, depots, platforms, yards, shops and other premises at Albina, Portland, The Dalles, Umatilla, Rieth, La Grande, and Huntington, and have threatened the employes of plaintiff in various ways, so that such employes are being hindered, molested, intimidated and prevented from performing their regular work in connection with the maintenance and repair of plaintiff's motive power and equipment, so that there is imminent and immediate danger that the train service of the plaintiff will be further interfered with, delayed and interrupted.

AND IT FURTHER APPEARING TO THE COURT that said injuries will be irreparable, for the reason that the defendants and each of them are impecunious and financially irresponsible and that adequate judgments for damages could not be collected from them and that the acts complained of are so numerous and committed at such various places and circumstances that many of the persons and individuals guilty thereof cannot be apprehended, and that said wrongful acts are of such a character that compensation in damages cannot be made, and that other acts will be committed before hearing unless a restraining order pending said hearing is issued immediately.

Now, THEREFORE, in consideration thereof and of the particular matters in said Bill of Complaint set forth and on motion of plaintiff, IT IS ORDERED that the defendants, and each of them, appear before the District Court of the United States for the District of Oregon at a session to be held in the City of Portland in said District on Monday, the 31st day of July, 1922, at 10 o'clock in the forenoon of said day, and there show cause, if any there be, why the preliminary injunction prayed for in said Bill of Complaint should not issue, and it appearing to the Court that there is danger of immediate and irreparable injury being caused to plaintiff before the hearing of said application for a preliminary injunction can be heard unless said defendants are, pending such hearing, restrained, as hereinafter set forth, and said plaintiff's application for such restraining order having been granted by the Court in the penal sum of Five Thousand Dollars ($5000.00) securing the defendants against all loss of damage which may result from the issuance of said restraining order should be finally determined that the same was improperly issued or that may be awarded to them by reason of the granting of said order,

IT IS, THEREFORE ORDERED, in consideration hereof and of the particular matters in said Bill of Complaint set forth, that the above named defendants, and each of them, and all other persons in active concert, combination or participation with them, and all other persons, associated or acting with, as members of the above named Federated Shop Crafts, to-wit: International Association of Machinists, International Brotherhood of Boilermakers, Iron Ship Builders and Helpers of America, International Brotherhood of Blacksmiths, Drop Forgers and Helpers, Amalgamated Sheet Metal Workers' International Alliance, International Brotherhood of Electrical Workers, Brotherhood Railway Carmen of America, International Brotherhood of Firemen and Oilers, and all other persons who are within the District of Oregon having notice of this order, pending the further order of this court, shall absolutely desist, cease, and refrain from in any manner committing or threatening to commit the acts alleged in the Bill of Complaint, or from preventing or attempting to prevent the plaintiff, or any of its employes, from performing the plaintiff's duties under the Act to regulate Commerce, or other acts of Congress applicable to railroad companies, or from in any manner intimidating or threatening or accosting personally plaintiff's officers or employes or from trespassing or going upon its depots, platforms or other property, yards, tracks, buildings, shops or premises or from congregating in large or any other number in threatening groups about plaintiff's premises, or the places of customary ingress or egress to and from the same, or from in any manner interfering with the free use or occupancy by plaintiff or any and all of its property or premises of every kind or character, or from inducing, with, hindering or stopping, or the purpose of plaintiff, its agents, officers or employes, in the operation of its said railroad or any department thereof, or from in any manner obstructed by the use of assaults, assaults and batteries, personal injury, threats of bodily harm, intimidations and threats of violence of any kind, hindering, obstructing or preventing any person in the employ of plaintiff or any person desiring to enter its employment in connection with the operation of its line or railroad in the State of Oregon, or from inducing or attempting to induce by threats, intimidations, persuasion or argument or by persuasion against the employes' will, or by a suggestion of harm or danger or putting in fear, from interfering or attempting to interfere with the employes of plaintiff in going to and from their daily work, or from either single or collectively going to the homes of said plaintiff's employes for the purpose of intimidating them or coercing any or all of them to leave the employment of plaintiff, or from intimidating or threatening by letter, telephone or in any other manner the wives or families or said employes or from aiding or assisting any person or persons in committing any of the aforesaid restrained acts, and from picketing or maintaining at or near the premises of the plaintiff on or near the streets, alleys, paths or roads leading to the premises of the plaintiff, any representatives, agents or pickets, more than a single agent, representative, or picket at each point of ingress to or egress from the plaintiff's property, premises, shops, depots or places of business, and all and singular the persons in active concert or combination or agreement or understanding with the defendants or any of them, hereinbefore set forth, are enjoined and prohibited from congregating or loitering on the property or premises of the plaintiff or in the street, alleys or public places in such manner as to hinder the employes or persons or plaintiff as well as from maintaining or permitting pickets around said property.

AND IT IS FURTHER ORDERED that such single representative of the defendants is hereby enjoined from making communication to persons entering or leaving the property of plaintiff in an abusive, loathsome or threatening manner, or from communicating or attempting to communicate to any person who may be in the employ of plaintiff, by any of the methods hereinbefore set forth, are enjoined and prohibited from congregating or loitering on the property or premises of the plaintiff or in the street, alleys or public places in such manner as to hinder the employes or persons or plaintiff as well as from maintaining or permitting pickets around said property.

AND IT IS FURTHER ORDERED that such single representative of the defendants is hereby enjoined from making communications to persons entering or leaving the property of plaintiff in an abusive, loathsome or threatening manner, or from communicating or attempting to communicate to any person who may be in the employ of plaintiff, by any of the methods hereinbefore set forth, are enjoined and prohibited from congregating or loitering on the property or premises of the plaintiff or in the street, alleys or public places in such manner as to hinder the employes or persons or plaintiff as well as from maintaining or permitting pickets around said property.

IT IS FURTHER ORDERED that this order shall be served on defendants a copy thereof, at the earliest convenience of the United State Marshal, to the defendants D. P. PHELAN, PETER KANE and CHARLES H. KNIGHT, and upon the remaining defendants as soon as may be, and to all other persons named herein, and shall be in force and operation and compliance with said defendants, and each of them, as to the service of process on The Standard Oil Co. (Ky.), The Kansas City Star, The Kansas Journal and the Daily News, each being a daily newspaper printed and published at Portland, Oregon, and The Evening Observer, a daily newspaper printed and published at La Grande, Oregon, by mailing a copy thereof in one or more of the plaintiff's shops or common houses in said city and by mailing at this court is directed immediately to publish and post such copies.

IT IS FURTHER ORDERED that plaintiff having given a bond in the penal sum of Five Thousand ($5,000) Dollars, conditioned according to law, which bond is hereby approved, this order to become immediately effective.

FURTHER ORDERED that this order shall remain in effect until the 31st day of July, 1922, and until the hearing and decision of this court upon said application for a preliminary injunction, or such further order in the manner provided by law, as may hereafter be taken.

Done in open court this 25th day of July, 1922.
