JOHN W. THOMAS, well-known insurance man of Wilmington, Del., who declares Tangle promptly overcame his stubborn stomach trouble and run-down condition following two attacks of influenza. Gains weight and now feels fine.

"The flu left me in such a rundown condition life was miserable and work a burden," declared John W. Thomas, well-known insurance man, 600 Tangle St., Wilmington, Del., in a recent statement regarding Tangle.

"Twice I was a victim of the flu," he continued, "the last time about two years ago, and since then I suffered from stomach trouble, nervousness and dizzy spells. After eating, gas on my stomach worked up through my chest and made my heart beat so fast it alarmed me and I nearly smothered. I could never get a good night's sleep and got up mornings with a sour taste in my mouth and all tired out."

"Other medicines seemed to do me harm instead of good, but three bottles of Tangle did me of indigestion, the nervousness and dizziness. My sleep is restful and I am feeling like a different man. Tangle is certainly good."

Tangle is sold by all good druggists.—Ads.

The wedding of Naomi Edna Kirtley to Mr. Carroll Sydney Harris took place on Saturday, July 2, at 10:30 a. m. at the home of Mrs. Harris, a daughter of the late Union Pacific and Mrs. Eugene Hanson.

The bride was graduated from the high school in La Grande with the class of 1918 and graduated from the University of Oregon with the class of 1920. She is a member of the Beta Phi sorority and for the past four years she has been head of the department of home economics of the Fine Arts, Business, and Education schools.

Mr. Harris is engaged in business in Portland, being an accountant and tax specialist.

Mr. and Mrs. Harris are at home at 242 Grand Avenue, east of 2nd St., Astoria.

Mrs. F. A. McKinstry gave a southern edition breakfast many mornings during her stay in La Grande. Her guests, who will leave early in August for her home in California, were all for tea.

The centerpiece was an Oriental pagoda with ribbons extending to the guest through the arm of a "vampire" place card. The favors were very unique and far from common for the guests through the different courtesies.

At each place an old-fashioned bouquet, set in lace paper holders, was placed.

The guests enjoyed three hours of social intercourse before leaving for their homes.

Sidney Burleigh arrived in La Grande yesterday in company with Mrs. Burleigh and left for Enterprise this morning on the branch line train. Mr. Burleigh has just completed a course at the University of Oregon and is now a full-fledged attorney and will practice with his father, attorney J. A. Burleigh. Mr. Burleigh was married to Miss Eva Becker at Portland a

short time before arriving in La Grande.

The Ladies Auxiliary of American Legion Post No. 43 met Monday afternoon at the Neighborhood Club rooms in the City Library at 1:30 o'clock. The attendance was very satisfactory and the meeting was mainly devoted to routine business matters, it being adjourned at an early hour to permit the members to attend the afternoon Chautauqua program.

Mrs. J. J. Burbridge was hostess to fourteen La Grande people at breakfast Sunday morning at the Country Club and twelve were seated at dinner. The Country Club is becoming more popular as a place for dinners and parties each week.

Master Melville Brown, son of Mr. and Mrs. J. A. Brown of Portland, arrived in La Grande Saturday evening and as special a couple of weeks as a guest of his aunt, Mrs. Violet Melville. He will return to his home in Portland in August.

Mr. and Mrs. A. S. Duryea and Mr. and Mrs. C. P. Duryea, of 1504 N. Avenue have as their house guest Mrs. Clifford Farmer, of Pasadena, Calif. Mrs. Farmer will be remembered as Miss Georgia Ford, a former La Grande girl.

Cards have been received here announcing the twenty-fifth wedding anniversary of Mr. and Mrs. B. B. Nutter, which will be solemnized at St. Mary's church in Pendleton, Friday morning, August 4, at 8 o'clock.

Miss Minnie Ash and Miss Dorothy Meyers entertained a few guests at the Country Club Friday evening at dinner. A delightful time was reported by all.

ONLY 147 RAINY DAYS.

(City Associated Press) TOKYO, July 26.—The Central Observatory has average figures for the 30 years it was established to find that the mean figure gives only 147 rainy days a year. During this time it was found that the average number of rainy days for each month were: January, 12; February, 8; March, 13; April, 14; May, 14; June, 18; July, 15; August, 15; September, 17; October, 18; November, 10; December, 6.
