FORUM

Editor Observer:—Your editorial on church support, was a marvel of truth and a clear knowledge of the subject, and for broadmindedness allow me to thank you and compliment you on your fearless declaration of facts.

Not only is it the duty of every man and every woman to attend church but it is their greatest privilege and should be their chief pleasure to become a co-partner with the Creator of the world in supporting an institution for the spread of truths that lead to higher thoughts and cleaner lives.

To anyone who will devote ten per cent of his earnings to the Lord, my experience tells me that the same will receive more than value for the money.
