Radium

Burns Wood or Coal Equally Well
A combination heater with duplex grates oblong firepot. Heats the floor. No better combination heater made. Absolutely air-tight. Your fire never goes out. Guaranteed satisfactory. Price \$47.50.

Wesco Circulator

A Parlor Furnace
Heats from 3 to 6 connecting rooms. Circulates the air in the rooms making all parts of the house a uniform temperature. Heats the floor.
Burns Wood or Coal equally Well
Put this stove in your house and use it 30 days, if it does not heat your house better with less fuel than any stove you ever used, we will gladly take it back. Has One-Third More Heating surface than other heaters.
Price \$75.00
Will last a lifetime

Enameled Range

An all enameled Cast Range. The latest in Range construction, a beautiful grey Porcelain Range. Washable, Sanitary, Indestructible. Made of pure grey iron will last as long, bake as well or better than any range made, regardless of price. No place for grease or dirt to stay, washes off with soap and water. See this wonderful Range. Our special flue construction makes it work quicker with less fuel than other makes. Special this week only, \$98.50
Regular Price \$120.00

Value Wesco

The best popular priced range made. No fancy finish on this stove but the best material is used; equal in durability and workmanship to any range, no extra weight; heats up quick, uses 1/3 the fuel you use on your old style range. Let us show you why. Try it, if it isn't right you don't have to keep it. Regular \$120.00
Special \$98.50
