

THE OLD HOME TOWN

BY STANLEY

LIFE HAS NO ATTRACTIONS FOR MARSHAL KEY WALKER SINCE THE NEW DRESSMAKER TURNED HIM DOWN

ness. They arrived in La Grande last evening and are guests at the Foley during their visit.

Back in La Grande—Mrs. Frank Pike, of this city, who has been spending several weeks in Portland with her daughter, Gertrude Miller, at the hospital, returned to La Grande and will be here for about two weeks before going back to Portland.

Foley Guest—Ed Allen, who hails from Union, arrived in La Grande yesterday and registered at the Foley. He is here on business.

In From Valley—Jim Toobins, who owns a large farm a few miles from La Grande, was in the city yesterday looking after some business affairs.

Moved into New Home—Mr. and Mrs. Dwight Jesse have moved into their new home on Spring street, recently purchased from W. G. Sawyer.

Marriage Licenses—Two marriage licenses were issued the fore part of the week at the county clerk's office. They were issued to Steve L. Hatt and Dolda Walker and Charles Dunbar and Ada Hutchison. Both couples make their home in La Grande.

To Visit Relatives—Misses Mary and Fannie Sommers left last evening for Spokane where they will spend a couple of weeks visiting friends and relatives before returning to their home in La Grande.

Dr. Phy in Pendleton—Dr. William Thomas Phy, of Hot Lake, proprietor of the Hot Lake sanatorium, is a business visitor here today. Dr. Phy is en route from Hot Lake to Spokane, Wash., on a hurried business trip.—East Oregonian.

Football Game Today—The Alumni team is playing the high school team this afternoon at the high school grounds. The game commenced at 2:30 o'clock, but no reports were received preliminary to the Observer going to press. Indications are that the game will be very interesting and full of thrilling situations. The attendance is very good.

Union Sheep King—S. E. Miller, sheep king of the Grande Ronde Valley, came into La Grande yesterday from his home in Union and was here for a few hours on business. Mr. Miller is the proprietor of a large farm west of Hot Lake and has one of the largest flocks of sheep in eastern Oregon.

Will Church Able to Be Absent—After an illness that has confined him to his home for some time, Will Church of the public land office, is able to be about the city again and attend to business.

Otis Palmer Is Happy Today—Why? Because a seven-pound baby boy arrived at the home of Mr. and Mrs. Otis Palmer Thursday evening and the mother and boy are both fine today. "He is a printer as sure as Mt. Emily will have snow on her this winter," said Otis as he scampered down town to tell a few of his near friends the good news.

Reverend Renter Here—Bretford W. C. Renter, father of W. H. Renter, proprietor of the Red Cross Drug Store, is in La Grande for a few days visiting relatives and friends. Rev. Renter is a member of the Columbia River Methodist conference and has preached in Walla Walla and Lewiston, Idaho. He holds a degree of doctor of philosophy in the Illinois Wesleyan college and will be in the west for several weeks, then returning to New York where he will spend the winter.

Tell of Wheat Crop—"The wheat crop in Umatilla county was about 1,500,000 bushels short this year," says Judge Schanney. "This was due to a hot wind which came along at the wrong time and caused a shrinkage. The heavy soil lost from three to ten bushels an acre as a result, which

makes a deep cut into the pay check of the growers." Contractors are pushing the old Oregon trail section east of Cabbage hill and before the end of the working season expect to complete all but two miles of the grading. The judge is at the Hotel Oregon.—Oregonian.

Pershing Goits

It's safe for General John J. Pershing to take his coat off when he plays golf for he hasn't any superior officer to come along and tell him so.

400 Acres For Sale

This was formerly known as the John Minnick place, in High Valley. Nearly 200 acres in cultivation to hay and grain, the balance pasture. There are 2 good barns, machine shed, 9-room house, 2 good cellars, hog house, 2 chicken houses, blacksmith shop, rural route and telephone. The improvements are worth one-half the price asked for the property. The price is only \$10,000.00 and a payment of \$1,500.00 down will handle it. This means only about \$50.00 an acre for the land in cultivation, with the balance of the land and improvements thrown in. It means an average of only \$25.00 an acre for the entire place, which is just a little better than pasture land price. This place is on the market for the next few days only. La Grande, Ore.
