TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy and full of luxuriance.

DO YOU RECOGNIZE these two congenial and merry men? They're the fighting pilots of baseball's world championship contenders, the Giants and Yanks. Above is "Jawn" McGraw, Napoleon of the National League, and below is Miller Huggins, American League genius. Needless to say, these are not the expressions they wear in the "pinch."

POLLMAN GIVES LAND TO BAKER

BAKER, Oct. 8.—At the regular meeting of the city commissioners on next Monday afternoon, William Pollman will present deeds to the city for blocks 40 and 41 in Levens addition and block 47 in Levens second addition to Baker lying south of Pollman park the ground to be used for auto parking. This will be Mr. Pollman's second donation of land to the city within the past two years, the other being Pollman park at which place automobile races attracting racers and spectators from all over the northwest have been held.

Mr. Pollman emphasizes the fact that the comtaissioners must not allow bill boards to be erected on the ground nor allow campers to make use of the blocks. Grass must be growing and trees must be planted by the city before 1925. In the spring Mr. Pollman states that he will donate the trees to be planted. The grounds may be used for picnic purposes.

This action on the part of Mr. Pollman should be appreciated heartily by all residents of the city for it assures of ample parking grounds adjacent to Pollman park.

Says It Made A New Person Of Her

Thousands of people needlessly endure a half-sick, nervous, run-down condition when they might enjoy sturdy, robust health and all its manifold blessings of they only knew what to do. People in this condition find Tanlac soon ends their trouble and builds up abundant of strength, energy and vitality. Mrs. Bertha Havle, 4717 N. Washington St., Spokane, Wn., says:

"My whole system was badly run down. I had no appetite, was very nervous, suffered from severe headaches and had rheumatism all over my body. The results I got from Tanlac were surprising. Why, I haven't an ache or pain of any kind now, and I'm enjoying the very best of health."

Nervousness and a run down, tired-out feeling are but symptoms of a hidden cause, which usually lies in the stomach. Tanlac enables you to digest your food properly, eliminate waste and helps you regain your old time strength and vigor. Get a bottle today at any good druggist."—Adv.

Have You Kidney or Bladder Trouble

READ THIS:

Madera, Cal—"I suffered for three years with catarrh of the bladder, having tried every remedy I heard of, but without relief. Finally I saw Dr. Pierce's Anuric advertised and, like a drowning man grabbing at a straw, I thought I would try it also, which I did with great success, as it relieved me almost immediately, before I had taken all of the first package, so I continued, and would say to all those suffering from their kidneys or excess uric acid, try Dr. Pierce's Anuric Tablets and suffer no longer! I have great faith in Dr. Pierce's remedies."—S. P. Hensley.
