A TRUE RAT STORY

Auburntown, Oct. 12.—Dear Sirs: Mr. Robert T. Donnell of Auburntown, came in our store the other day and wanted something to kill rats. So I sold him a box Stearns Rat Paste. And he put some paste on six biscuits that night and the next morning he found fifty-four big rats. And the second night he put out four more biscuits with paste on them, and the second morning he found seventeen more rats, making a total of seventy-one rats in two nights, and there were lots more that he did not find. This is some big rat tale, but nevertheless, it is so. Just thought would write to let you know that your rat paste is good. Respectfully, KENNEDY BROTHERS. Buy a 35c Box Today Enough to Kill 50 to 100 Rats or More. Don't waste time trying to kill these pests with powders, liquids and other experimental preparations. Ready for Use—Better Than Trap.
