YOU SHOULD WIN

The person having the largest list of words beginning with the letter "F" will get the First Prize. You surely have a real chance of winning at least one of the prizes offered—there are fifteen of them. Why not try for the big prize and win \$2000.00. Somebody will win it—your chances are as good as anybody's.

Just think what you could do with the money. \$2000.00 could buy an automobile and leave enough balance to make a payment on your home. Perhaps you would just put the thing you would like to do if you received a check for \$2000.00. Certainly you owe it to yourself to try to solve this puzzle. You will find the trying very easy and pleasant.

The Way to Win One of the Twenty Prizes
You do not have to spend a penny to get into this contest. It is not necessary for you to order any Yeastolax. If you are not a member of the contest, you will receive one of the cash prizes. Without your order for Yeastolax, if you are a member of the contest, you will receive one of the cash prizes. If you are a member of the contest, you will receive one of the cash prizes. If you are a member of the contest, you will receive one of the cash prizes.

Win the Big Prize—\$2000.00
If you choose you can win a great deal more than the cash prizes. All that is necessary for you to qualify your list for the big prize is to send in an order for one or more packages of Yeastolax. Look over carefully the schedule of prizes as classified in this announcement. You will find that if you send in \$2.00 for one package of Yeastolax and the judges award you first prize you will get \$2000.00.
