LA GRANDE

ing this meeting. Promptly at noon the visiting ladies and their hostesses will partake of a delightful banquet. After the banquet a joint conference will be conducted to discuss religious and charitable activities for the coming year. Thereupon autos will take the visitors on a tour of our city and the valley. The local ladies have made every available arrangement for the entertainment of their guests and it is to be hoped that all the La Grande members will be in attendance.

The Country club was the scene of a delightful dancing party Monday evening given in honor of Mr. and Mrs. David I. Stoddard who are soon to leave for Wallowa to reside. The party was given by their brothers and sisters. Excellent music made the dancing very delightful, which coupled with the fact that a most jolly crowd of friends of Mr. and Mrs. Stoddard were present, combined to make the occasion one of the most enjoyable. La Grande social circles regret very much to lose these popular young people who are soon to remove to Wallowa where Mr. Stoddard has

assumed his duties as manager of the Nibley-Minnoura Lumber company.

Tuesday afternoon the Neighborhood held its first social day for the season and a large attendance of club members were present, all eager to begin the work of the season and expressing strong hope for a very beneficial year. The club business was handled with dis-

patch after which an enjoyable program pleased the ladies. Mrs. James Brokaw and Miss Mary Jean Thatcher rendered piano selections which were well received by all. Refreshments were served before the ladies adjourned.

The Maudslayi Bridge club met Monday afternoon at the home of Mrs. Fred K. Holmes. In the afternoon play, Mrs. Bruce Dennis

was high score winner. Guests other than club members were Mrs. Bruce Dennis, Mrs. Dan Sommer of Klun and Mrs. Dwight Jesse.

Chapter I. P. E. O. will meet Friday afternoon at the home of Mrs. L. B. Moore, 1704 Cedar.

**SULPHUR CLEARS A PIMPLY SKIN**

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickly by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Mentho-Sulphur and use it like cold cream.

A special meeting of Hope Chapter No. 13 of the Eastern Star Lodge was called last night for the official visit of the Worthy Grand Matron, Mrs. Theresa M. Castner of Hood River.

The lodge work of Hope Chapter was excellent, much to the satisfaction of the Grand Matron. A large attendance of Hope Chapter as well as Cherry Chapter 123 of Cove and Grande Ronde Valley Chapter No. 43 of Union were present, and every one enjoyed themselves and praised Mrs. Castner in the wonderful work she is doing.

Officers of both the visiting chapters were present and the usual complication of the ritual work was rendered. Mrs. Dora B. Schilke was installed Grand Lecturer of the Grand Chapter of Oregon by Mrs. Castner, and was presented with a beautiful bouquet of chrysanthemums.

Mrs. Castner gave an address on many phases of the work, particularly stressing the use that should be made of the lodges in social functions and that the lodges should take more interest in state affairs.

Mr. George T. Cochran, Deputy Grand Master A. F. A. M., made an address along the same lines. A number of the visiting members also made talks.

Everyone enjoyed meeting Mrs. Castner, and in esteem, those in attendance presented her with a beautiful brocade vase.

Refreshments were served in the dining hall at a late hour.

Mrs. Castner left yesterday morning on No. 17, for Holly, where a special meeting will be held.

The Altar Society of La Grande will entertain delegates from the Altar Societies of Pendleton, Baker, Union, Wallowa and Enterprise this Wednesday afternoon at the K. of P. hall. Fifty delegates have already manifested their intention of attend-

**BELIEVES PROHIBITION WILL SWEEP INDIA**  
VICTORIA, B. C., Oct. 18. (Special)—In a few years India, with a native population of 300,000,000 will be dry, predicts Dr. J. Nandan Nyoel, an Indian advocate of prohibition, who passed through here on his way from Calcutta to the United States to study the work-

ing of the 18th amendment and the Volstead act.

"I would say that only 8.2 percent of the native population of India drink intoxicating beverages," remarked Doctor Nyoel.

**Are Your Days A Pleasure?**  
Health Will Make Them So

East Bakerfield, Calif.—"For several years past Dr. Pierce's medicines have been the means of keeping me in good health. I was suffering with remittent weakness, inflammation and a natural condition, also my back ached, I became weak and so nervous I could not sleep, was feeling so miserable that I was scarcely able to get around. I saw Dr. Pierce's Favorite Prescription advertised and decided to take it, and it so completely cured me of my weakness, and built me up into such splendid health and strength that I have depended on it to keep me well ever since that time. Whenever I feel the least bit rundown I take a bottle of the Favorite Prescription, and it builds me right up in health. It just seems to give me a new lease on life. I can also recommend Dr. Pierce's Golden Medical Discoveries as a Spring tonic. I used the medicine and found it equal in as good as the Favorite Prescription."—Mrs. M. W. Wagner, 1007 Sumner St.
