EAST-WEST GAME TO BE ARRANGED

By Associated Press SAN FRANCISCO, Oct. 20.—Selection will be made probably within two or three weeks of the Pacific Coast Conference football team that is to represent the west in an intercollegiate game to be played at Pasadena, Cal., New Year's Day under conference auspices.

The western team will be named by the conference as soon as the football season is advanced far enough to permit officials to pick a representative eleven. To date California appears to have the same edge that carried it to the championship of 1921 and 1922 and already four voters are picking their team for its third pennant year.

Peabody State, it is said, probably will represent the west, although no definite announcement has been made. Peabody State is coached by Duce Beahm, former University of Oregon star. Last year Beahm coached his team west and defeated the University of Washington at Seattle.

The team was Ohio state champion of the Big Ten conference, won west and was defeated at Pasadena by California. Last year Washington and Jefferson represented the east and held California to a scoreless tie on a muddy field.
