PUBLIC SCHOOLS

Now Is the Time for Passage of School Bill
Vote 314 x Yes

Passage of the Compulsory Public School Attendance bill now—this year—will insure that a minimum number of private schools and private school pupils will be affected. Of the 36 counties of Oregon 14 are at present without any private schools whatever. The combined aggregate of pupils in all the private schools in five other counties is fewer than 200. The total attendance at the private schools of the grammar grades of Oregon is about 3841. The total attendance at the public schools of the grammar grades is about 131,683. Surely if the public schools are good enough for the 131,683, they are also good enough for the other 3841.

At present, while the private schools are few and small, is the time to make the change proposed by the public school bill.

COSTS. No tax will be levied for years to come, as the bill does not take effect until September, 1926, and no tax then if the amendment is in the courts for several years.

When all attend our free public schools the additional cost will be slight, for the overhead will be the same. Most of the children will find a place in existing classes and the added expense in the average taxpayer will be nominal. The great benefit to our nation will be worth many times the small cost.

Now is the time to pass this measure, insuring that in Oregon all of our children will be educated to a common patriotism, common ideals and a unified allegiance to our institutions.

A. BONAR LAW BEGINS A NEW HEAVY TASK

in contrast with the treatment of the king's father by Queen Victoria, who barred him from all part in public affairs, even when he was a middle-aged man.

The most important announcement of the week-end is that Reginald McKenna, former chancellor of the exchequer, will preside at the Conservative meeting to be held in the city of London. This naturally is taken to mean that Mr. McKenna, who has been a lifelong Liberal and was chancellor in the Asquith cabinet during the first year of the war, will be a candidate supporting Mr. Bonar Law, and it is taken for granted that if elected he will be offered his old position.

LA GRANDE OUTCLASSES ELGIN 23-0

the entire game. Ghent started for Elgin.

A feature of the game was the hard tackling by Elgin that was closely rivaled by the vicious tackling of La Grande's huskies. Tucker of Elgin, displayed some tackling that was a revelation. Elgin was slightly demoralized by sickness and injuries, but it is doubtful if they could have won had they been in perfect form. La Grande displayed a T. N. T. attack that rarely failed.

Elgin Passes Well.
Elgin made three substantial gains by forward passes while La Grande completed two, one for no gain. Both teams intercepted three passes. La Grande converting one into a touchdown.

La Grande will face another hard team when they journey to Pendleton Saturday to take on the Round-Up warriors who have come out of their slump and decisively defeated Enterprise Saturday. La Grande will go into the game a favorite by about two touchdowns.
