HOW BETTER THAN PILLS?

The question has been asked: In what way are Chamberlain's Tablets superior to the ordinary cathartic and liver pills? Our answer is, they are easier and more pleasant to take and their effect is so gentle that one hardly realizes that it is produced by a medicine. Then, they not only move the bowels but improve the appetite and strengthen the digestion.

A Classified Ad Will Do It!

The good Maxwell has demonstrated hill climbing ability never equalled by any car in any price class. In a laboratory test conducted by a leading scientific school, it actually negotiated a grade with a percentage of 12.3 in high gear. More than 100 much higher priced cars similarly tested failed to reach the Maxwell record. Only a most powerful engine, perfect car balance and easy rolling bearings enabled the good Maxwell to perform such an unparalleled feat.
