

THE OLD HOME TOWN

BY STANLEY

WHEN ASHER TUTTLE THE LOCKSMITH OPENED THE SATCHEL DISCOVERED BY MARSHAL OTEY WALKER, HE DISCOVERED OTEY HAD UNKNOWNLY TAKEN THE BANK ROBBERS AND RECOVERED THE STOLEN FUNDS.

It is one of those pictures classed with the "Old Nest" and "Humoresque," and when that is said, the people of La Grande know that an excellent picture is to be seen. The love of a good mother and her influence on all who meet her is wonderfully shown. The picture is delightful, human and humorous. It is the kind that sends you out of the theatre wholly satisfied and pleased with everybody and everything and makes you feel that this is not such a bad old world after all.
