CLINT'S CLOTHIERY
"THE STORE WITH A CONSCIENCE"

How Quickly Men Learned the Lesson!

About a year ago there was a sudden babel of "bargain" shouting. Many stores shouted, "Cheap! Cheap!" and struck a popular chord. Men wanted to economize after years of free spending.

They bought "bargain clothes" to save money—and very soon discovered they were not saving, because the clothes didn't hold up. ONCE WAS ENOUGH!

They have proved for themselves that we have been right all along, to stand fast to our policy of selling good clothes at fair prices. And what a scramble there is among the "weather vane" stores to make you forget they ever sold you poor clothes!

Our Winter Clothes (of every sort) are good clothes, just as we always have sold, and always will sell.
