ASK ANYBODY

How Do You Judge SHIRTS?

Most men "see something they like"—their technical knowledge of materials and making is limited. Next time you look at shirts ask the man—

1. Are they fast color?
2. Are the neck bands pre-shrunk?
3. Are they cut full?
4. Are they firmly stitched?

If you are looking at any of our shirts the answer will be, "Yes, Sir."
