the installation of another hatchery in Eastern Oregon, that it was inadvisable as yet an account of the scarcity of fish eggs. In the future, more fish hatcheries would be installed throughout the state, but as yet conditions didn't warrant them, was his opinion. He also spoke in favor of the "back law" and stated that if it were legal to kill an each year that before many seasons had passed the deer would be practically extinct in Oregon.

John Walden, Union county game warden, spoke a few words on conditions in the county and following his speech, cards bearing numbers, were passed out to those present giving them an equal chance to claim the \$29 fishing rod to be given by Harry Hobson, of Lyons, Oregon. Tables Were Filled.

Members kept coming in over increasing number until even after the dinner was formally opened. Altogether, when the closing hour came 159 members and guests were present. The ladies of the Methodist church served a wonderful dinner and many were the comments as to the excellence. The clams, oysters, and all the rest that makes up a fine dinner, were deliciously prepared and served. The officers of the club were unanimous in stating that it was one of the most successful dinners ever held by them.
