

Your Clothes Money---

what do you Get for it?

You are going to buy some new clothes this fall. Unless you carefully study and compare values, you will likely get less than you are entitled to. But you can't go wrong if you find out.

1. Who made the clothes,
2. How they are made,
3. What the price means.

The quality standard in Roberts Wicks Clothes has been rigidly maintained—in woolen fabrics and tailoring. Buy clothes with value in mind and you will decide upon one of our suits.
