

Do Your Christmas Shopping Early

WHY NOT?

A Package of Silks or a Dress Length of Wool Goods? Imagine her delightful surprise when "she" opens the package Christmas morn and finds a beautiful piece of silk—enough for a blouse or dress. A dress length of wool goods, too, is a pleasing gift. Women Like to Make House Dresses Every woman takes a particular pride in that which she makes—doesn't that suggest how pleased she would be with a length of gingham or percale sufficient for an apron or house dress?

Hill's Department Store

purchase? The freshmen in an assembly gave us a chance to look forward to 1922. There we saw Mr. Shaw, still hale and hearty. Mr. Towler, an old man with a long, long beard and crippled somewhat with rheumatism. T. C. McDonald, wife and family. All these were going to see the picture of a game between La Grande and Wallawa. All the student body enjoyed the clever stunt, which was under the direction of Miss Rowling, and Miss Comstock, their class advisers.

JUNIOR HIGH

A musical program was rendered at the regular Wednesday assembly. The first thing was the salutation to the flag, followed by two solos, "The Four Leaf Clover," and "The Big Brown Bear," by Miss Miller. A violin solo, "Humoresque," by Dvorak, was given by Irlva Zundel of the eighth grade which was enjoyed by all. Following this was a piano solo, "The Imaginary Ballet," by Betty Cochran which greatly pleased the audience.

The Junior High School was visited by Mr. H. S. Leighton who gave a short talk concerning the importance of schools. Mr. Leighton comes from Braddock, Penn. where he is a school director.

This week has been devoted to the reading of book reports. All were very well given and interesting.

RIVERIA JUNIOR HIGH

The Parent teachers meeting was held at the Riviera school, Friday, November 17. The program furnished by the school was music by the third grade and the seventh and eighth girls. Dramatization by the fifth grade.

Mrs. Green, the music teacher, selected a double quartette from the seventh and eighth-grade girls for the Riviera school, Friday, November 17. The girls selected were: Rita Steward, Rita Suydam, Helen Schilling, Maria Matties, Leta Latham, Esther Hawkins, Nettie Latton, and Alice Gauthier.

High School News

Happenings in and Around the School Centers

A student body election was held Monday noon from 12 to 12:30. The purpose of this election was to vote on the proposed amendments to the constitution of the school. These concern the changing of the requirements for the letter of the football and basketball.

Some reversing has been made in the commercial department. The typing room has been changed to the former shorthand room which was moved to the typing room. The students of these classes were quite surprised Monday morning when they discovered the change. It caused quite a little confusion.

An accident happened Saturday evening, November 18, at the outskirts of La Grande on the Hot Lake-La Grande highway when E. O. Payton's car, driven by T. C. McDonald turned over. The only one injured was Reid Geddes, but not seriously.

The smiling days should be observed by all students of the high school to get snapshots for the Mimir. The high school English classes, juniors, seniors, and advanced freshmen are extended the privilege of corresponding with foreign countries. They have the right to choose the country they wish to correspond with. Some of these countries are France, Spain, Belgium, China, and Japan. These boys and girls are very interested in the English language and we thought that this would be an ideal way to get help and instructions from "living" instead of "printed" books. We are looking forward to it with great interest.

A very interesting and instructive talk was given to the girls of the high school Thursday by Dr. Margaret Hulse. She touched on health and ways of retaining good sound bodies. Every girl should know about anatomy and hygiene. The talk was enjoyed by all.

The seniors are making papers to illustrate their talent in making a Mimir. From these papers a committee chosen from the faculty will select the editor of the annual for this year. The girls are the main ones interested in this as the boys are interested in the job and athletic departments. These are bringing out much talent that was not known before. They are striving to make this a picture annual instead of a literary annual as has been the custom before. Intense interest is being shown in these.

Each student in the school is privileged to give something toward a fund which will go toward helping the Boys and Girls Aid Society in Portland. Not only money but food and clothing is accepted. Miss Rohrer, a high school teacher, was selected to handle the contributions of each class. The donations are to be sent so that they will arrive by Thanksgiving.

Girls will start basketball practice this week after the opera. The boys who are not playing football have been practicing basketball for about a month.

Six week's tests are being given in many classes this week. Resolutions are being made now to study harder the next six weeks instead of waiting until the time of the final examinations.

The result of the spelling test in the school is shown below, also the standard for each grade.

Table with 3 columns: Grade, Result, Standard. Rows for 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th grades.

This makes our school 94.4, being up to the standard in spelling. Thirty years from now, what will some of us be doing in ap-

The eighth grade was given a Thompson test in language Thursday. The O class on irregular verbs and the B class on adjectives, adverbs and pronouns.

GREENWOOD JUNIOR HIGH

Mrs. Touger substituted in the Junior high this week for Mrs. Green, who was detained at home on account of illness.

Much to their regret, the members of the Greenwood orchestra were unable to practice Thursday, due to the absence of their leader, Mrs. Green.

Under the direction of Mrs. Green some of the Greenwood talent entertained the neighborhood club on Wednesday of this week. Leslie Row played two saxophone solos, "Swanee River Moon," and "When Shall We Meet Again." The girls' double quartet sang "Autumn Lullaby" and "Love's Old Sweet Song."

The regular meeting of the Greenwood P. T. A. was held Friday afternoon. The fifth grade of Riviera, under the direction of Mrs. Ellis dramatized "Thanksgiving Day at Valley Forge," which was well worked out and brought us a most vital

lesson of the true spirit of Thanksgiving.

After other numbers by the Greenwood children the business meeting was called to order. Mrs. Yeck read the requirements of a standard school. Mrs. Thatcher reported on the need of apparatus and equipment for the playground and the most suitable arrangement of the same. Mrs. Walker discussed the interior of the building showing us how Greenwood measured up to the standard. The hot lunch problem was discussed and a committee appointed to clean and arrange the new lunch room which was recently completed. This association is a "five" one and much will be accomplished during the year.

The program of the Greenwood Junior High School Friday, November 24 was as follows: Chorus, "Greenwood Song" was sung by the pupils. A reading, "The Night Before Thanksgiving," by Joe Bush, who played the part very well. A play "Lessons in Cookery." The characters were Violet Rynearson, Ethel Brown and Wanda Nelson.

BUNION INFLAMED Fairyfoot Brought Instant Relief

"My bunion was badly inflamed," says Dora Kapp, "but the first Fairyfoot plaster relieved it instantly, and the bunion has not bothered me since." Fairyfoot stops the pain at once and literally melts away the bunion formation. Feet return to normal size and shape. Guaranteed and sold on free trial everywhere. RED CROSS DRUG STORE

If Kidneys and Bladder Bother

Take Salts to flush Kidneys and neutralize irritating acids.

Kidney and bladder irritations often result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast; continue this for two or three days. This will help neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normal again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia water drink, which often quickly relieves bladder irritation.

A good night's rest

There's nothing like it to put you in shape for the day's duties or pleasures.

There's nothing like Dr. Miles' Nervine to bring refreshing, restful slumber.

Buy a bottle. If it does not help you, we'll give your money back.

Your druggist sells it at your own price—21.00 per bottle.

Large advertisement for The United States National Bank featuring an illustration of a Pilgrim and text about Thanksgiving and bank services. Text includes: "and after their first harvest in 1621 the Pilgrims set aside a day to give thanks for their hard-won reward—food to last the long New England winter." "Because of the basic worth of the homely Pilgrim virtues, courage, thrift and perseverance, Thanksgiving day has persisted. Times have changed greatly, humankind not at all. Courage, thrift and perseverance will do as much for you today as for the Pilgrim three hundred years ago." "In keeping with the spirit of the day, we shall be closed November 30th." "The United States National Bank La Grande, Oregon."
