DEAD THE VOWS GO!

THEATRES

FORD AND HARRIAN BOTH
 IN "THE PRIMITIVE LOVER"

Setting a thief to catch a thief is
 the old adage that Edgar Selwyn has
 put to work in an unusual manner in
 the writing of "The Primitive Lover,"
 his original story for "Constance Tal-
 madge." The plot, which is developed
 along comedy lines, involves a keen-
 witted novelist who spreads rumors
 of his death under sensational cir-
 cumstances to enhance the sale of his
 latest book. Taking advantage of his
 supposed demise his rival for the hand
 of Phyllis Tomley, presses his suit
 and wins her hand in marriage.

As the glances of married life, swirls
 off the supposedly dead author returns
 and mutual explanations are in order,
 it is of such unusual material that
 Director Sydney Franklin has welded
 "Constance Talmadge's" latest starring
 picture, "The Primitive Lover," a
 First National Attraction which will
 be the feature at the Arcade Theatre
 today, Friday and Saturday. As the
 two former rivals clash under differ-
 ent circumstances their feud is re-
 newed. One presses his suit in the
 approved style of modern conventions
 while the other, a man of forceful,
 dominating personality, demonstrates
 the caveman method of love making.

Miss Talmadge is surrounded by
 one of the best casts she has ever had
 for her screen productions. Harrison
 Ford, who played leading man in
 "Smiling Through," and Kenneth
 Harlan have the dual leading male
 roles. The remainder of the company
 includes Joe Roberts, Charles Pino,
 Chief Ric Troy, Matilda Brandage,
 George Pierce and Clyde Benson. The
 adaptation for the screen was made
 by Frances Marion.

HARRY CAREY IN "THE KICK
BACK" AT SHERRY'S

Harry Carey's many admirers will
 not have to look far for thrills while
 that noted star's most recent pro-
 duction is the current feature at the
 Sherry Theatre. Mr. Carey's latest
 success is called "The Kick Back,"
 and like his other vehicles drips red-
 blooded drama from beginning to
 end.

Depicting in vivid scenes the ad-
 ventures of a cowboy who has to
 fight every inch of the way to retain
 the land he owns and the girl of his
 heart. "The Kick Back" furnishes
 Mr. Carey with a role that fits him
 as snugly as a rubber skull cap fits
 the head of a bather.

Besides the rugged and winning
 personality of Mr. Carey, "The Kick-
 Back" also is marked by distinguish-
 ed performances given by other
 members of the cast. Ethel Grey
 Terry as Mr. Carey's leading woman,
 for instance, plays with just the
 right degree of repression while Hen-
 ry Walthall, as the crafty Aaron
 Price, is all that could be desired
 in such a role.

"The Kick-Back" is what has been
 generally described as "punch drama
 in a Western setting." It has many
 new and novel turns of plot, how-
 ever, and the action is fast and in-
 cessant.

"The Kick-Back" is Mr. Carey's
 first production under his new af-
 filiation with the Film Booking Of-
 fices of America.
 Also showing "Fun from the
 Press."

GLORY OF WOODS IS DEPICTED
 IN "THE STORM"

The clean glory of the great North-
 woods furnishes the background for
 vivid emotional work by master play-
 ers in "The Storm," the Universal
 Jewel special feature which brings
 House Peters as a star to the Star
 Theatre Saturday and Sunday.

The story is a simple, yet powerful
 drama of three stranded human souls,
 bound together in isolation from the
 outer world and forced to meet an
 intolerable situation. Langdon Mc-
 Cormick wrote the play, which was
 extremely successful on the New York
 stage. Reginald Barker directed the
 filming of it.

Peters, Virginia Vall and Matt
 Moore form the triangle. One man is
 afraid of women because he has never
 known them; the other because he
 knows them too well. Then the girl
 comes into their lives unexpectedly
 and unavoidably. On this basic Mc-
 Cormick wrote his play. The forest
 fire and snow storm scenes are work-
 of art, and have you witnessed
 communication wherever the film has
 been shown.
 Josef Swickard and Frank Lanning
 handle other roles.

For Sale

A bargain, 11-room house on Spring
 avenue just off Fourth St. Plastered
 large sized rooms, bath and toilet on
 both floors. Large dining room and
 kitchen and just off the kitchen is a
 large cold storage room with cement
 floor. House in good condition; an
 inspection will convince you that this
 is a real income property.

New modern 5-room house with
 garage on N. avenue, near high school,
 for sale. Owner would consider a
 Ford car and a few hundred dollars
 as initial payment.

On account of building costs ad-
 vancing and it is known that building
 will cost more next spring than it did
 this last fall, "Come in and let me
 show you what I have listed for sale.
 At the present time I have several
 good buys including two of the best
 homes ever built in this city. If you
 are planning to build in the spring
 play fair to yourself and let me show
 you where you can save money by
 buying.

THESE THREE VITAL FACTS DETER-
MINE YOUR POWER AND ECONOMY

It's probably wear or inaccurate fit in the piston rings, pistons
 and pins which is responsible for the loss of power and waste
 of gas in your car. Power and economy really depend upon
 three vital units.
 All that many motors need to restore their maximum power
 and economy is McQuay-Norris Piston Rings. There is one to
 fit every pocketbook, but car owners who think more of per-
 manent economy and satisfaction than of initial cost find that
 the combination of Leak Proof Rings for power and Superoyl
 Rings to prevent oil troubles is their best investment. All Mc-
 Quay-Norris Piston Rings are made of Electric Metal.
 If the cylinders of your motor need reconditioning, you want a set
 of McQuay-Norris Wateright Pistons and Pins, as well as Mc-
 Quay-Norris Rings. They're handled by the same repairmen,
 service stocks and jobbers.
 Your motor can be made practically as good as new for a frac-
 tion of the cost of a new car if its three vital units are replaced
 with McQuay-Norris Products. Write us for booklet "To Have
 and to Hold Power," which explains the whole subject of motor
 wear and its correction.
