DOINGS OF THE DUFFS
"DADDY, IF DADDY SAYS HE'S GOING OUT SOME PLACE AFTER DINNER, THEN EVERYBODY WANTS TO GO WITH HIM. I'LL PUT MY HAT AND COAT RIGHT HERE ON THE STAIRS, AND YOU PUT THEM ON AND MAKE HIM TAKE ME WITH HIM—DO YOU UNDERSTAND?"

"HELEN, OH HELEN! I'M GOING OUT FOR A LITTLE WHILE! BACK LATER!"

"DADDY! I'M GOING WITH YOU, I AM!"

"NOW LISTEN, DADDY. YOU CAN'T GO WITH DADDY THIS TIME—YOU GO BACK IN THE HOUSE LIKE A GOOD LITTLE BOY AND DADDY WILL DO SOMETHING FOR YOU!"

"BUT I WANNA GO!"

"AW HE WOULDN'T TAKE ME!"

"WELL, COME DADDY! MOTHER WILL TAKE YOU OUT!"

THEATRES

AT SHERRY'S—MAY McAVOY IN "THE TOP OF NEW YORK"

Thrills Galore in This Picture. Fine Scenes in May McAvoy's "The Top of New York."

New York roof-tops, the toy section of a huge department store, and a beautiful animated doll are three especially interesting features of "The Top of New York," a Paramount picture starring Mary McAvoy which opens at the Sherry Theatre for two days, beginning today.

The roof-tops afford an interesting locale for many dramatic scenes, one of the thrills being a realistic blizzard sweeping across the roof where a helpless crippled child is marooned.

It is the big toy department, set which will interest the children most, however. Thousands and thousands of toys are shown and busy Christmas shoppers buying them. The piece-de-resistance of the toy shop is the appearance of Miss McAvoy as an animated doll in a huge doll house.

Around the tragic home life of this animated doll, Sonya Leven, has woven a most entertaining story. The production was directed by the late William D. Taylor.

Prominent in the cast are Walter McGrath, Pat Moore, Edward Cecil, Charles Bennett, Miss Marston, Arthur Hoyt, Mary Jane Irving and Carrie Clark Ward. James C. Van Trees did the photography.

Comedy, the Carter DeHavens in "Christmas."

"HURRICANE'S GAL" IS SEA AND SKY ROMANCE

The romance of the open sea and the open sky, the mystery of the underworld, the love of a real man for a real woman, the battle against villainy and the redemption of an untamed spirit—these are the high lights of "Hurricane's Gal," a First National attraction, which is coming to the Arcade Theatre Thursday for a three-day engagement.

Dorothy Phillips is the star of the production and Allen Holubar, the creator of "Man-Woman-Marriage," produced it.

There are many thrilling and new features in "Hurricane's Gal." Schooners, torpedo boat destroyers, aeroplanes and hydroplanes are utilized in the production. Most of the action takes place at sea, and the tale ends up in a palatial mansion in San Francisco following a series of underworld complications.

VAMPS FOR SAKS OF HER HUSBAND

Miss Du Pont, the exquisite blonde of "Foolish Wives," the Universal Jewel super-spectacle, will be seen at the Arcade Theatre Wednesday only in a Universal starring vehicle, "A Wonderful Wife."

Dolf Wyllarde wrote the novel and Paul Scardon directed the picture. It concerns the wife of a British army officer who finds herself entangled in the chains of a not very poetical romance when she tries to vamp her husband's superior officer. The dread monotony of an army post at one of the world's ends is preyed on her feminine nature at the same time that circumstances force her husband to believe she is deliberately choosing a course of frothy flirtation.

THOUSANDS HAVE KIDNEY TROUBLE AND NEVER SUSPECT IT

Applicants for Insurance Often Rejected.

Judging from reports from druggists who are constantly in direct touch with the public, there is one condition that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of success.

An examining physician for one of the prominent life insurance companies, in an interview with the subject, made an astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is returned to the American people, and the large majority of those who apply are rejected in no way except that they have kidney trouble.

Swamp-Root is a natural purifier of the blood and a powerful cleanser of the system. It is a natural and safe remedy for kidney trouble.

How can you be sure of this? Test this great preparation in your own system. Write to Dr. Kilmer & Co., Poughkeepsie, N. Y., for a sample bottle. When writing be sure to mention this paper.

THESE THREE VITAL FACTS DETERMINE YOUR POWER AND ECONOMY

It's probably wear or inaccurate fit in the piston rings, pistons and pins which is responsible for the loss of power and waste of gas in your car. Power and economy really depend upon three vital units.

All that many motors need to restore their maximum power and economy is McQuay-Norris Piston Rings. There is one to fit every pocketbook, but car owners who think more of permanent economy and satisfaction than of initial cost find that the combination of Leak Proof Rings for power and Supercyl Rings to prevent oil troubles is their best investment. All McQuay-Norris Piston Rings are made of Electric Metal.

If the cylinders of your motor need regrounding, you want a set of McQuay-Norris Wainwright Pistons and Pins, as well as McQuay-Norris Rings. They are handled by the same repairmen, service stocks and jobbers.

Your motor can be made practically as good as new for a fraction of the cost of a new car if its three vital units are replaced with McQuay-Norris Products. Write us for booklet "To Have and to Hold Power," which explains the whole subject of motor wear and its correction.
