time because we need to make room for the better time

Coming, as this does, just before the holidays, you can buy Dad and Jimmie a Suit or Overcoat for Christmas at about the same price that you would ordinarily spend on a lesser gift, and you know how much better pleased they would be. We are anxious to reduce our stock before taking inventory, therefore we'll sacrifice. Our clothing includes the well-known, well-made, and well fitting Fashion Park and Kirschbaum lines; a complete assortment for young men and men in Suits and Overcoats, sizes 17 to 46--some priced as low as \$10.00. Boy's two Knicker Suits, sizes 4 to 17, some at \$3.35.

For cold snappy days... The white...  
ing to make the spirit of Yulet...

We would be glad to see all our friends and the public take full advantage of what we personally believe to be a Real Opportunity to Buy.
