*St. Paul Dispatch: Thomas Edison complains that the college graduate does not want a job with work in it. As an experimenter he should be interested in this academic effort to eliminate the noxious element from an otherwise pleasant occupation.

Taking Desperate Chances.
It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weak-

ens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds, may be had for a trifle?—Adv.

Detroit News: The study of birds is reputed to have solved the problem of aerial navigation, but no goose was ever goose enough to try any stunts.

RESOLUTION OF CONDOLENCE

WHEREAS, Death has again invaded our ranks and removed from the active walks of life, our highly esteemed friend and ever loyal brother, Louis Givan; and

WHEREAS, in his passing the family has lost a kind, devoted and loving husband and father, the community a valuable citizen, and Division No. 362, Brotherhood of Locomotive Engineers, a faithful and congenial member, and who always stood for right and justice, and ever had a kind and cheering word for each and every one at all times; now therefore,

BE IT RESOLVED, that we extend to the sorrowing family our sincere sympathy in this their hour of great sorrow, and commend them to Him who doeth all things well and giveth to his beloved consolation and strength in their time of affliction; and,

BE IT FURTHER RESOLVED, that as an act of respect to the memory of our departed brother, we drap our Division Charter for a period of thirty days; that a copy of these resolutions be spread upon the minutes of our Division records; and that a copy be presented to the sorrowing family.

Columbia Record: The wineacres who are seeking to make divorce easier would perform a real service if they could make matrimony easier.

When You are Constipated.
To insure healthy action of the bowels and correct disorders of the liver, take two of Chamberlain's Tablets immediately after supper. They will not only cause a gentle movement of the bowels, without unpleasant effects, but banish that dull, stupid feeling, that often accompanies constipation.—Adv.

Peoria Transcript: Speaker says coal and iron in this country will last only 500 years more. That removes the temptation to seek more of these youth renewing operations.
