THE KENTUCKY DERBY A THRILLER PLEASES CROWDS AT THE ARCADE

Theatre-goers at the Arcade last night were treated to an exciting series of thrills, including fights, shipwrecks, rescues and spirited horse races, when "The Kentucky Derby," a Universal screen version of the old thriller, "The Suburban," was shown.

Those who remember Charles T. Denny's famous melodrama will find in the picture all the suspense, the flavor and the entertainment which gripped the gallery gods of a decade or so ago, plus a new understanding of the story and more vivid climaxes made possible by screen technique.

King Baggott, the director, who at the exact scenes of the story, on the stock farms around Lexington, Kentucky, and at the Churchill Downs race track near Louisville. He managed to catch on the screen all the romance of the Blue Grass region and the true atmosphere of the land of thoroughbreds. In fact, actual pictures of the Kentucky Derby won by Morvich are used as part of the thrilling action of the screen feature.

Reginald Denny who has become a screen idol by reason of his work in "The Leather Pushers," a picturization of H. C. Witwer's amazing prize ring stories, takes the lead in "The Kentucky Derby," ably supported by a cast of superior quality. Denny takes the part of a young Kentucky boy who is thrown out of his home because of his marriage with the daughter of a stableman. The cast includes Lillian Kirk, Emmet King, Gertrude Astor, Walter McGrath, Lionel Belmore, Wilford Lucas, Harry Carter, Kingsley Benedict and others.

"The Kentucky Derby" will be the attraction at the Arcade Theatre tonight and Saturday.

STAR RE-OPENS SATURDAY WITH TOM MIX

"Tom Mix in Arabia," title of the latest Fox production, starring the vigorous Tom Mix, which is due at the Star Theatre Saturday and Sunday, is characterized by many surprising incidents that will please the most blasé of picture-goers.

It is doubtful whether any photograph ever exhibited on the local screen possessed more thrilling situations which were actually enacted by the star of the picture who refused the assistance of a double.

Without revealing in detail the elements of new and surprising action and atmosphere that "Tom Mix in Arabia" contains, it may be said that Mix practically steps out of his old character entirely and reveals a new power and versatility as an actor—becomes a reckless and romantic adventurer amid tense scenes and dynamic action in the Arabian desert.

With a colorful and romantic story of this type, Mix has a greater opportunity than ever to show his capabilities as an actor and he does it in a manner that establishes him more strongly in fame and favor than ever before. With bold, broad strokes, as well as the very finest shading of character delineation, Mix plays upon every emotion mixing delightfully light moments of comedy with heavy, tense and thrilling dramatic action.

Supporting him is the usual sterling cast of players, including Claire Adams, as female lead.

A Malt and Jeff comedy will also be shown.

"THE SNOWSHOE TRAIL" LAST DAY AT SHERRYS

Few stars of the screen possess that priceless gift of whimsical appeal so abundantly as exquisite Jane Novak. And it is this element of personal appeal that chisels its way into the hearts of her admirers—that has endeared her to hundreds of thousands of theatregoers throughout the country.

Never in her career has this quality in her work been so apparent as in her interpretation of the role of a young society girl in her latest photodrama, "The Snowshoe Trail." The story of "The Snowshoe Trail" is based on Edison Marshall's novel and depicts the experiences of a society girl who ventures into the vast wilderness of the snow-clad North in search of her missing fiancé. Her experiences were sufficiently thrilling to make a story of tense dramatic interest, the big scenes including a struggle in an ice-jammed river during a blizzard and a fight between a bear and a woodsman that is calculated to keep your hair standing on end for several minutes.

Comedy showing, "Cupid's Round-Up."

Constipation. Constipation of the bowels is a stoppage of the sewerage system that removes waste matter from the body. It is as necessary that your bowels move regularly once each day, to carry off this waste, as it is that the waste pipe of your home be kept open and carry off the waste from the house. If you would enjoy good health, keep your bowels regular by taking Chamberlain's Tablets when needed.—Adv.
