A very pretty wedding was solemnized at the home of Mrs. Nellie Spencer at five o'clock Saturday afternoon, when her daughter Alice was given in wedlock to Harry I. Gilmore, of Portland, in the presence of the immediate relatives of the family and a few intimate friends.

The ceremony was performed by Bishop William P. Remington, bishop of the Eastern Oregon diocese of the Episcopal church, in a very impressive manner.

The bride was attended by Miss Inez Hughes, maid of honor, and Jay Spencer, brother of the bride, acted as best man.

Proceeding the ceremony Miss Hughes sang "I Love You Truly" and the wedding march was then played by Miss Edith Adams.

The bride wore a gown of blue georgette crepe with over-drape of Spanish lace in silver and blue and carried a bouquet of pink roses. The home was beautifully decorated in pink and white curtains and the dining room table was centered with a beautiful wedding cake. Covers were placed on fifteen at a dinner served following the ceremony.

The bride is well known in La Grande having completed her education in the La Grande schools, graduating with the class of '18, later graduating from the Benke Walker Business college at Portland.

The groom is the son of Harry Gilmore, of Missoula, Montana, but is now employed as salesman in a wholesale furniture house in Portland where the young couple will make their home. Their many friends wish them a long life of prosperity and happiness together.

Mr. and Mrs. P. G. Fritts entertained at a delightful buffet supper on Thursday evening. Mr. and Mrs. Charles Chandler, Mr. and Mrs. Homer Taylor, Mr. and Mrs. E. O. Payton and Mrs. Ruth Chandler and daughter Eleanor Mae, were among those present. All pronounced the affair a decided success.

An inauguration ball, in honor of the installation of the city officials was held in North Powder on Monday evening at the close of a delicious banquet given at Miller's restaurant. The new and old city officials were present as well as many invited out-of-town officials.

A dance followed the banquet at which about 200 couples were present. Beginning at nine o'clock dancing continued until three o'clock in the morning interspersed by a supper served at midnight.

Olson's orchestra of La Grande furnished the music and the Haines band was also there and rendered a number of delightful selections preliminary to the dance.

Ladies Society of the B. of L. F. and E. held their regular installation of officers at the K. P. hall January fifth at 2:30 o'clock in the afternoon. The following members were installed: President, Gussie Weagle; vice-president, Helen Lane; past-president, Ida Charleton; chaplain, Alta Rieckford; secretary, Mary Hawes; conductor, Mary Gallagher; warden, Lil-

S. D. Crowe entertained twenty-six children at a dancing party in honor of her son, Marion Crowe. The dining room was tastefully decorated in red, white and blue with refreshments.

Dancing was in order during the evening and delicious refreshments were served.

At her home, 1415 X avenue, Miss Evelyn Boehne entertained thirteen little girls, the event being her ninth birthday. The evening was spent in games and dancing. At an appropriate hour delicious refreshments were served. All departed wishing Evelyn many more happy birthdays. Those present were Helen and Ora Rimbly, Marie and Ruth Brannon, Ida Bell and Anna Robins, Jean French, Etta Stevens, Florence and Eleanor Hicks, Lucile, Doris, and Evelyn Boehne.

The Eastern Star Social club was entertained Tuesday afternoon by Mrs. E. C. Tuckey. The first part of the afternoon was spent at "500" with Mrs. L. W. Hoyt winning high honors. Refreshments followed the card session and a general social good time was enjoyed by all. The guests of the afternoon were Mrs. Henry T. Hill and Mrs. Charles Playle.

The January Country club dance will be held early in the month in order that the February committee may give their dance before the beginning of Lent, announces the committee in charge. The dance is to be held on Thursday night, January 18th, at nine o'clock sharp.

The program will vary slightly from the usual in that a special feature number will be given during the evening. Mrs. Burbridge will serve the usual delicious luncheon.

DEAD MAN FOUND.

BAKER, Jan. 10.—Coroner West was notified tonight that the body of an unidentified man was found late today on Sturgill's bay, Snake river. As the Baker county sheriff's office has not been notified of the find, it is presumed death was by suicide. The deputy coroner at Richland will go after the body tomorrow.

New York, Jan. 9.—Dr. Robert Lewis Paddock, former Protestant Episcopal bishop of the eastern missionary district of Oregon, and Miss Helen Aitken, heiress to half of a \$2,500,000 estate, were married today in St. Columba chapel, Cathedral of St. John the Divine. Bishop Arthur S. Lloyd conducted the ceremony. Only a few friends were present.

Dr. Paddock, who is 53 years of age, resigned as bishop last September, declaring his health would not permit him to carry on his work.

Delicious refreshments were served to an appreciative crowd and all went home with the thoughts of a very pleasant time. About forty people were present.

LADIES AUXILIARY OF THE LEGION TO AID SMALL SCHOOLS

INDIANAPOLIS, Ind., Jan. 10.—An appeal to the women of the American Legion Auxiliary to back the country schools was made in a recent address here by Dr. Kate Walker Barrett, national president of the Auxiliary.

Dr. Barrett has asked all auxiliary units to support the rural school, each unit to select one school and to see that libraries are founded and that a large dictionary, a large encyclopedia, a good map and a good globe are placed in this school.

"With five auxiliary units standing behind a corresponding number of country schools, this movement could become a great impetus within a period of five years or so," Dr. Barrett stated.

GOLDEN GOOSE FOUND

SEASIDE, Or., Jan. 10.—Gold found in the garden of a goose by Charles Brennan of this city has started several local prospectors toward the upper reaches of the Necanicum river in quest of the mother lode.

Brennan bought the goose at a local meat shop for his New Year's dinner and, while the fowl was being dressed, particles of gold were found in the gizzard. Panned and assayed the metal was found to be worth approximately 50 cents. The golden goose was raised by a rancher who resides on the Necanicum river a few miles from this city.

PENDELTON CASE HEARD

PENDELTON, Jan. 10.—The \$40,000 damage suit filed by W. F. Coates, ranch "bull" against Alvin Slusher, prominent farmer, for alleged violation of the provisions of the plaintiff's wife by the defendant, went to court today, the entire morning of the opening session being taken up with the selection of the jury, on which two women were finally seated.

Coates testified that Slusher would order him out to the fields, while he spent hours at the farm house, where the wife was cooking. Finally the plaintiff told his wife that he would be gone from Pendleton for several days, but doubled back, and with officers broke into his apartment.

IDAHO PLANS TO HONOR SURVIVOR

BOISE, Ida., Jan. 10.—Idaho citizens are planning measures in behalf of Lorenz West, aged 89, believed to be the last survivor of the band of men who in 1863 established Fort Boise on the present town-site of this city.

West is a discontented inmate of the county hospital here. He says he dislikes the idea of being an object of charity and wants to be taken to the Idaho Soldiers' Home, asserting belief that, although never an enlisted man in the United States army, his numerous battles with hostile Indians should entitle him to admission.

In the pioneer days West was employed by the government as a driver of muleteams and in 1868 when Major Lugenbell, U. S. A., received orders to establish Fort Boise, he helped freight supplies from Walla Walla and The Dalles.

A Fine Home

We have a fine large home, close in, full basement, steam heat in every room, on paved street. Large comfortable front porch, big fire place, all the rooms are large and in splendid condition. We sold this morning house this week and the thought occurred to us that a grand high-class place this could be made into. At present there are six bedrooms and three more large rooms on the third floor that could be made at a small cost. Here is an opportunity for some thrifty family to own one of the fine homes of the city and the wife could add from \$100 to \$125 per month to the family chest.
