They Appeal to Our Sympathies
The bilious and dyspeptic are constant sufferers and appeal to our sympathies. Many such, however, have been completely restored to health by the use of Chamberlain's Tablets. These tablets strengthen the stomach, invigorate the liver and improve the digestion. They also cause a gentle movement of the bowels. When you have any trouble with your stomach, give them a trial. —Adv.

Any La Grande subscriber to the Observer who does not receive his paper by 8 o'clock in the evening, please call Western Union, Main 24, and a special messenger will deliver a copy.

Probe Baltimore Prison Riot

Warden William H. Lankford (above) may be ousted as a result of the investigation into the revolt in the Maryland House of Correction in which 14 prisoners were shot. Many charges of brutality have been made against Warden Lankford. Above is shown a prisoner shackled to bars as punishment for leading revolt.

FANS TO SEE 24-ROUNDS OF FAST FIGHTING

"He's going to get my best every minute I'm in the ring," states Frankie Dean, "and I believe that I can beat him." Kid Barnes, of Spokane, is just as confident that he will win over Dean and with both men expecting to ply their goods to the utmost in an effort to hang a K. O. or at least win the decision, Thursday's boxing card promises to be a real fistic clash. Twenty-four rounds of boxing are scheduled for the evening, which includes two four round preliminaries, one six round and one ten round event. The card will be held under the auspices of the La Grande boxing commission in the Star Theater, the first preliminary beginning at 8:15 o'clock.

Fast Semi-Final.

Slim Barnes, of Spokane

The runner-up to the main event with Gatling Lubbe, of Baker, and Slim Barnes, of Spokane, contracted to furnish excitement in this frame is sure to be good. Lubbe is well known to local fans and Barnes comes to La Grande with a meritorious record. Both men have appeared in main events many times and their showing has been such that the fans are willing to welcome them back in the ring each time with more gusto.

Jack Rourkeys and Jene Krause are slated for the second preliminary, of four rounds, and Swede Daniels and Earl Ford will open the night. Earl Ford has been appearing in La Grande regularly in the last few weeks and has yet to meet his match. Just a kid, he still manages to display a lot of mitt ability and his cleverness and coolness augments his popularity.

Tickets are on sale at the Imperial Gilliard Parlors.

A troop of Boy Scouts was organized in Weston last week by Prof. J. M. Cornelison. Professor Mercer is scoutmaster.

STOPS COUGHS AND COLDS
Neglected coughs and colds lead to influenza, la grippe, asthma and bronchitis, and the old method of "letting it run its course" is rapidly giving way to preventative treatment. Three generations of users have testified to the quick relief given by Foley's Honey and Tar from coughs, colds, croup, throat, chest and bronchial trouble. Contains no opiates—ingredients printed on the wrapper. Refuse imitations and substitutes.—Adv.

The first carload of sulphur for use as fertilizer in Deschutes county reached Redmond last week. Several other carloads have been ordered.
