COVE COMMERCE CLUB HAS MEET

COVE, Feb. 12.—The Cove Commercial club with a few invited guests enjoyed a dinner at the Domestic Science rooms at the school building on Wednesday. The object of the dinner was for "Road Discussion." The road work is always presenting a new angle and when the angle becomes too acute those men who have the road so much at heart get together over a dinner and talk the thing out. The next president at the dinner was Mayor J. E. Trippe, K. J. Shackford, Harry Weimar, R. Z. Hester, Lew Hinson, L. E. Anderson, Grover Duff, Prof. J. R. Price, (retired), A. A. Duff, J. E. Price, M. H. Hester, Hugo Hester, F. Williams and Frank Kelly. The dinner was presided by the woman's club. The women present were Mrs. J. D. Weimar, Mrs. K. J. Shackford, Mrs. J. E. Trippe, Mrs. A. C. Conklin, Mrs. L. Latif and Mrs. George McDaniel.

The Ladies Aid of the M. E. church was entertained at the residence of Mrs. George Anderson on Wednesday afternoon. This society is very busy doing some quilting. They have a number of orders for this kind of work and whatever they do is always done with neatness and dispatch.

Calvin W. Hunt and Earl Burlew were high valley visitors last week. The juniors of the high school are industrious in working on their vaudeville which will be presented in the near future.

The Senior class will have an innovation from their usual class play this year and will present an operetta.

The Union orchestra put on a dance in Cove on Wednesday evening, Feb. 7, which was well attended by a crowd from Union.

Harden Daugherty, of Baker, was a Cove visitor on Friday last.

Skating parties are still all the rage in Cove.

A. H. Orton is on the sick list.

Miss Mildred Paxton, an ordinary teacher was unexpectedly called to her home in Baker the early part of the week.

Mrs. T. H. Conklin has been in charge of the primary room during Miss Paxton's absence.

Mrs. Arch Conley and Mrs. Dan

Goodman, of La Grande, spent Thursday in Cove.

Mrs. Ada Walters, of Corvallis, and Miss Patsy Brown, of La Grande, are guests of their sister, Mrs. J. J. Conley.

Charles Duff, of La Grande, is busy with some electric wiring in Cove.

Miss Gertrude Dooley, of Baker, was in Cove one day last week.

Miss Helen Dougherty will spend the week-end in Baker with her parents.

Mr. and Mrs. T. C. Hefty were Union visitors on Monday.

Miss Mae Kelly had a small day nursery on Thursday afternoon this week, having the care of Jenn and Don Miller, and Wanda Betty Orton, her grand-daughter.

It is with great regret that we learn of the death of our very good friend, Dr. C. M. Kumbel, who passed away in La Grande. Dr. Kumbel had been a resident of Cove for twenty-five years, coming here from Grand Rapids, Mich. He has been prominent in public and social affairs and a leader in the church and Sunday school. He had been loved by everyone, young and old alike, and we can feel only the deepest grief at his passing.

Earl Landers, of La Grande, was a Cove visitor on Wednesday.

Mrs. Elsie Murchison has taken her daughter, Maxine, to La Grande for medical treatment. The little girl has been ill for some weeks.

Mrs. P. M. Ellis and Mrs. Mae Kelly will entertain the Ladies Aid at the home of Mrs. Kelly, Wednesday, Feb. 14.

Miss Jean Kelley and Mrs. L. E. Carter entertained the Ladies' Guild at the home of Miss Kelley on Thursday, Feb. 8. This luncheon was decorated in blue and white, the Valentine idea being carried out in all the details. A dainty red and white lunch was served. Five hundred was played at five tables, Mrs. T. C. Hefty winning the honor prize, the consolation falling to Mrs. A. G. Conklin. The guests were Mrs. T. C. Hefty, Mrs. A. G. Conklin, Mrs. Guy E. Barber, Mrs. H. H. Daniels, Mrs. J. J. Conley, Mrs. C. Heryford, Mrs. A. H. Orton, Mrs. Frank Miller, Mrs. Ada Walters, Mrs. Arch Conley, Mrs. Ray Goodenough, Mrs. C. W. Conklin, Mrs. T. H. Conklin, Mrs. Phil Lockwood, Mrs. O. E. Lawson. This Guild party was a tremendous affair and the first card party of the season.

Mrs. K. H. Daniels and Mrs. Guy E. Barber will entertain the Guild on Thursday, Feb. 15, and the ladies will play the billiard table.

HIGH WINDS HITS POWDER

NORTH POWDER, Feb. 10.—Feb. 10th was one of the most disagreeable days of the winter in this section. The wind had been blowing all day from the north and had been very cold. The high wind makes traveling around difficult and suffering from the cold wind. The thermometer does not register below zero, but the cold wind makes it seem much colder than sunny colder days. It is hard to find a stick in such a high wind and it is impossible for a stick to keep warm in such weather. February is making up for the mild weather in January. The pupils of the high school are preparing a play to be given on Feb. 28. This play is a farce and a big laugh is promised all the way through. Mabel Munniger was taken to the hospital some days ago after an attack of appendicitis. She will soon be out again.

Mr. Anzel, the forest ranger, has a new radio and will hear the latest reports from the forest service.

Mr. and Mrs. C. S. Mann were business visitors in North Powder from their home on Wednesday. Mr. Mann is driving a Packard six, and may take the agency for that car through this section. Mr. Mann will make a success if he decides to sell this car as he has lived in this section for several years and is well known to everyone.

The harvest goes merrily on. A large number of men are employed and the big crop will soon be put up. Harvest situations in hauling logs out in the country and will put up several tons of logs as he always does in the fall.

Mr. J. A. Picher has been on the sick list but is up and around again.

The basketball team of the North Powder high school left today for Wallawa, Elgin and Imbler where games will be played with the high school basketball teams of those towns. They are out for hard playing and expect to give the opposing teams a good stiff game and are in hopes of winning some of them.

Mr. and Mrs. Chris E. Johnson gave a radio party to the teachers of the North Powder grade and high school. This party was given on Tuesday evening, Feb. 6. The crowd assembled about 8 o'clock. Atmospheric conditions were fine for wireless and Mr. Johnson immediately put the radio to work.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur it Brings Back its Beautiful Lustre At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyer's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time, by morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Here stand the proud buildings of great financial institutions, in New York's Golden Acre.

Each square foot of land sustains a fabulous valuation and must yield a commensurate return.

There are no great financial institutions located on some streets scarce a stone's throw distant from this favored spot—streets equally blessed with material advantages, but obscure.

Ah! There's the rub—obscure!

And yet these great financial institutions, paying tremendous sums for the privilege of their place in the sun, maintain that they "do not advertise."

What is "advertising"?
