

MASSIVE BALL IS WELL ATTENDED

NORTH POWDER, Feb. 12.—The inaugural ball given at the Hungarion on February 12th had a large crowd in attendance. The costumes

were varied and some were very fine. Nearly everything one could imagine was represented at this ball. The music was furnished by Olson's orchestra from La Grande and this orchestra is noted for its good music and they were in their usual good form. People from La Grande, Cove, Union, Baker and Haines were in attendance and the dance was continued until the late hours in the morning. Basketball team of the North Pow-

American Girl Weds Nobility

An important wedding took place in London recently when Mary Louise White Fremdergart, prominent member of the American colony, became the bride of Sir Timothy Eden.

for high school events defeat three times in succession, but comes back home with the determination to win the next game. The basketball team sustained defeat in their trip, but they are learning by experience and expect to win the next game which will be played on Saturday. The North Powder boys are good losers and are learning while losing games, so that it will not be long until they will win four.

Four cars of stock were shipped from North Powder on Saturday, February 10. Highall-Kravis shipped a car of hogs to Union. James Wilson shipped a car load of cattle to Portland. Charles Hutchinson shipped a car of cattle and a representative of Williamson of Portland shipped out a car of heavy draft horses. Dean Bidwell, who has been working in the machine shops in Huntington returned to his home last week and is now reported to be very sick. Mr. Irvine of Baker was called to see him.

Ed Lindley returned to North Powder on Saturday. He has been in Baker for some weeks taking treatment for paralysis. He will stop for a while at the home of his brother, H. E. Lindley, who lives in town.

The Golden Telephone lobby installed their officers for the following year at their regular meeting on Tuesday evening. District Deputy Margaret Williams had charge of the installation.

The new officers for the coming year: Mrs. Columbia Taylor, P. G.; Mrs. Lois Henderson, N. G.; Mrs. Mary of Langhitt, V. G.; Miss Binola Anthony, secretary; Mrs. Columbia Taylor, treasurer; Mrs. Stella White, H. S. N. G.; Mrs. Florence Blevins, L. S. N. G.; Mrs. Evelyn Griffe, R. S. V. G.; Mrs. Della Olson, conductor; Miss Leona McHenry, warden; Mrs. Reta Allen, chaplain; James Riggs, I. G.; Mark Gilkinson, O. G.

Mrs. Frank Wright appeared before the grand jury in La Grande on February 8th and preferred charges against her husband, Frank H. Wright for wife abandonment.

Mrs. Wright some time ago asked the authorities to make her husband support her and her infant child which was born at the McClellan hotel on January 19, 1922. Mrs. Wright has been cared for by friends. Her husband lives in her situation but did nothing to aid her. He has ignored every request from officers and everyone else, and now Mrs. Wright will compel him to take notice and provide for her and his child.

From all reports this case is a pitiable one and it is to be hoped that the husband will be brought to this and made to provide for his wife and infant child who are now living on the charity of friends.

Earnest E. Dalton, son of Mr. and Mrs. Lee Dalton of this city was married to Miss Ruth Pryor of Salt Lake City, Utah. The young couple were married on January 29th at Elko, Nevada.

The young folks are now visiting at the home of the groom's parents in this city for a few weeks. They will make their future home in California, where the groom will resume work for the P. P. E. company. He has worked for this company for several years.

Mrs. Edw. Forestrom entertains at 500 Mrs. Edw. Forestrom gave a Valentine party at her home in West North Powder on February 9th. The rooms were decorated in Valentine style and the scheme was included in the luncheon served.

The guests were entertained at 500 and six tables were set for the players. Mrs. Edw. Forestrom won the prize for highest score. A two two course was served to the guests after some time spent in playing 500.

A party of men and women that attended the masquerade ball in North Powder on Friday came to grief in their auto in the outskirts of Union on their way home about 1 o'clock in the morning.

In some way the auto became uncontrollable and skidded across the street and upended the car up and seized the occupants. One woman was said to have run down the street shouting at the top of her voice for help. A physician was summoned and one woman was badly hurt and the rest shook up and bruised. One man gave his hand to the others and they have no more.

William Ward, a farm laborer, died at the home of Charles Harris on Feb. 7. The cause of death was pneumonia with complications. The body was taken to Baker for burial.

John McPherson is buying up more sheep. He has a fine bunch now and is building lambs in his home as to take care of them there.
