CLERKS DEFEAT IMBLER 89-9

Alice Defeats Ramblers in Second L. A. B. Contest; Two Boy Scout Teams Victorious.

L. A. B. STANDINGS

	Won	Lost	Pct.
M. L. A.	2	0	1.000
Clerks	2	0	1.000
Perry	1	0	1.000
Imbler	1	2	.333
Alice	1	2	.333
Ramblers	0	2	.000

As a result of last night's games only one important change occurred in the percentage column of the standing of the six La Grande Amateur Basketball league members. Alice, by winning from the Ramblers, by a score of 26 to 14, entered the win column and came up from a tie for fourth place to a tie with Imbler in second place, each having lost two and won one game.

Clerks Win 89 to 9

By winning from Imbler the Clerks, last year's champs, retained in a three-cornered tie with the M. L. A. five and Perry for first place, none of the three teams having yet met defeat, and Imbler was automatically relegated to the percentage column.

In the Clerks-Imbler game, the "Ampers" scored at will, the score being 45 to 2 at the end of the first half. Loopering up a bit in the last half, the Clerks made, but 41 points while Imbler added 7 points to her total.

Ramblers Rally Falls

At the end of the first half in the Rambler-Alice game, the score stood Ramblers 8, Alice 29. Coming out with a force, really, the Ramblers scored six points in the final period to Alice's seven, but was unable to overcome the early lead piled up.

Boy Scouts Win

In the second game of the evening's quadruple-header, the Boy Scout team, who won from the Blue and White teams recently by a score of 24 to 21, defeated the Union M. L. A. quintette by a score of 25 to 6. The scouts were never in danger. The Boys Scouts second team, in this opening game, won from the Union M. L. A. second team 14 to 5. In the first game Fitzgerald and McCorkle each scored 8 points and Glass and Layton took for high point honors in the second team contest with six each.

A TALK WITH A LA GRANDE MAN

Mr. D. D. Burger of 1502 Washington Street, Tells of An Interesting Experience.

There is nothing like a talk with one of our own citizens for giving hope and encouragement to the anxious sufferer from the dread kidney disease. We, therefore, give here an interview with a La Grande man.

"I gladly recommend Doan's Kidney Pills as a good remedy for I know they will do what is claimed for them," says Mr. Burger. "My kidneys were in bad condition and I had severe backaches and at times could hardly bend. My kidneys acted irregularly, too, so I used Doan's Kidney Pills from Silverthorn's Drug Store and they soon had me free from the aches and pains and put my kidneys in good shape."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Burger had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

POLK FARMER SUICIDE

DALLAS, Ore., Feb. 14.—The dead body of Jacob Buhler, 80, was found Saturday in an old well on his farm in the Salt Creek section. Buhler is thought to have jumped into the well some time Friday night after tying a rope around his neck and making it fast to the structure of the well. Buhler was born in Russia and had been a resident of Polk county for about 20 years. No cause for his suicide is known.

ket. The light eight is the only eight-manufactured to sell at less than two thousand dollars and to those buyers who desire more than a four cylinder motor it makes a strong appeal. The factory price on this wonderful car is now \$1875.00.

The Franklin car is so well known in this territory that it needs no introduction. We consider the Franklin one of the finest cars made today. Larger cars can be bought but not better ones. With the new Franklin motor and the new body design the present car leaves little to be desired. Franklin comfort, economy and durability have long been the pride of Franklin owners but in the new models these qualities have been improved in many ways. New body designs have added greatly to the appearance of the cars. The new four door sedan is an entirely new model which will probably be the most popular seller in the entire line. Sixty-eight per cent of Franklin sales last year were enclosed cars and with the new model to offer the percentage should be even greater this year.

Greater comfort and riding qualities have been added by the lowering of the entire car, slightly stiffer springs and the use of Wilson stabilizers. The wonderful road qualities are only appreciated after a thorough tryout on a long trip.

The new Franklin motor retains all the advantages of the old motor but it has been greatly simplified and made more accessible. An entirely new method of cooling is now used which is claimed to be two and one-half times more efficient than the old. Tests have shown that it is impossible to overheat the new motor. By the use of the new system it has become possible to greatly increase the compression. Several other changes have been made which have increased the power and speed greatly.

We are taking steps to increase our shop force and will make other changes to enable us to offer the same high grade service to Franklin owners that we have always furnished to Oldsmobile owners. Our first carload of Franklin cars should be here on or before March first.

EXCELLENT ADVICE

FOR THE BANKRUPT

Unfortunately firms and individuals sometimes do go through bankruptcy. In some instances, it is due to unforeseen circumstances over which the heads of the firm have no control, and then again it may be due to a dishonest employee. Which ever it is, how often do the heads of the firm try by every means to pay back their creditors? Yes, we do hear of some who do, but more often this is not the case.

In "Hills of Fate" featuring Jack Hoxie and coming to the Arroyo theatre on Wednesday there is a strong lesson along this line. Forced into bankruptcy by a dishonest employee, Nate Hammond starts out for the great Northwest to build a new fortune with which to pay his and his father's creditors. How he succeeds contains a powerful lesson in perseverance and a determination to do the right thing.

A MAN WHO BECAME FAMOUS

Doctor R. V. Pierce, whose picture appears above, was not only a successful physician, but also a professional student of the medicinal qualities of Nature's remedies, roots and herbs, and by close observation of the methods used by the Indians, he discovered their great remedial qualities, especially for weakness of women, and after careful research he succeeded in giving to the world a remedy which has been used by women with the best result for half a century. Dr. Pierce's Favorite Prescription is still in great demand, while many other so-called "women's" remedies have come and gone. The reason for its phenomenal success is because of its absolute purity, and Dr. Pierce's high standing as an honored citizen of Buffalo is a guarantee of all that is claimed for the Favorite Prescription as a regulator for the female system.
