UNION DEBATERS DEFEAT LOSTINE

UNION, Mar. 5.—Mrs. W. V. Connor, Mrs. Viola Parker and Mrs. Elizabeth Phillips were visitors in La Grande last Thursday. They returned to Union the same day.

Carl Zeamer, who has been here for a couple of weeks returned to his home near Elgin today.

Millie Spencer arrived in Union last Tuesday from Kansas City. She is here to visit her sister, Mrs. Burr Smethers, who formerly lived in Kansas City. Mrs. Spencer will be here for only a few days.

Carl Edvalson, who has been in Alabama for the past two years, arrived in Union last Wednesday. Mr. Edvalson went to the south as a missionary of the L. D. S. church.

Mrs. Agnes Paddock was a La Grande visitor last Thursday.

Saturday evening Harold Hall, Francis Dobbin, two Union boys who are now working in La Grande, and several young people from La Grande came over to Union and held a private dance at the Union hotel.

At their regular Monday evening meeting the Commercial club elected officers for the new year's work. New officers are: President, G. I. Hess; vice president, L. Z. Terrall; secretary, C. L. Cadwell; treasurer, F. S. Slater; directors, M. S. Levy, J. F. Hutchinson, George A Seibird, Roy Conklin, W. T. Phy, and Tony Smith. The old officers turned the business over to their successors with all claims against the club paid and with about $150 in the treasury.

S. E. Miller, one of the county's largest sheep men is very busy at his ranch near Hot Lake these days, as the lambing season is on.

F. R. Connor, M. L. Bideler and Mr. Albert, new social committee of the Commercial club, have arranged to continue the Monday evening dances, attendance being limited to the members and their invited friends. Pat Powers of Hot Lake will be present at these dances and coach the boys in handling their feet artistically.

Saturday night both the Legion team and the high school seconds went to North Powder for a double-header basketball game. The school game was to be played first, but owing to an accident on the way up, the team did not reach Powder until after 9 o'clock. The two Legion teams played first and Union again defeated the North Powder boys, but by a narrow margin this time. Union's line-up for the Legion game was: Sirrinee, Geertsen, Maxwell, Spencer, Harn. Geertsen secured the greatest number of baskets of any one on the team, while Eliot was easily the star among the Powderites.

Union went into the high school game expecting a drubbing as Powder had defeated them in the game here, and for a while it looked as if the former score was to be repeated. Powder took an early lead and maintained it throughout the first half except when the score was tied at 6 and 8 points. In the second half, Gilmore replaced Campbell who had been slightly injured, and the rally started. The outcome was in doubt until the final whistle. First one team would score and then the other would even things up. Near the end the battle became fast and furious. Both sides were playing a rough brand of ball. When the board announced 25 all, 27 all, and finally 29 all, the crowd became somewhat excited. When time was called each side was credited with 14 field baskets and one foul. It was agreed to play one extra five-minute period as the boys were tired and it was getting late. Again the whistle found 29-29. Union's lineup was: Baxter and Geertsen forwards; Cadwell, center; Campbell, Bates and McClellan guards. Cadwell made six field baskets, Baxter four, Geertsen three, and Campbell one.

Miss Ida Bellus came home from Perry to spend the week-end. Miss Bellus is the primary teacher in the Perry school.

Ralph Scarborough, Clifford Johnson, Dick Van Houten, Chester Emmons and several other Unionites attended the ball games and dance at North Powder Saturday evening.

D. H. Campbell and wife are here from Portland, stopping for the time being at the Union hotel. Mr. Campbell has accepted a position in the Oregon Trail garage and the couple will locate here.

Host Clark of the Union hotel has had installed a radio machine and the patrons and visitors are enjoying nightly concerts from 8 till 11 o'clock. The machine was installed by O. M. Hearock of Enterprise and is giving excellent service.

A card party and lunch was held at the Union hotel last Tuesday afternoon by a party of La Grande ladies. Those present were: Mesdames C. H. Scranton, Bruce Dennis, De Lile Green, Colon Eberhard, Rich and Claycomb, R. L. Porch and Clyde R. Seitz. The guests returned to La Grande the same afternoon.

W. A. Grossman was here from Portland last Thursday. He was registered at the Union hotel.

Union high school and the Lostine school met at both towns last Friday night to debate the subject, "Resolved, That the U. S. Government Should Own and Operate the Coal Mines of This Country." Josephine Ellis and Vera Shaw went to Lostine and Georgiana Jensen and [illegible] Delamsgaard, with two of Lostine's debaters at the local high school. Harvey Allen and Hassie Pasey completed the team sent here of Lostine. Our delegation to Lostine defended [illegible] the affirmative side and lost the decision by a vote of 2 to 1. Here the local team took the negative and received all three of the judges' votes. Robert Kuhlk, E. H. Briggs and Miss Nash of La Grande people acted as judges for the debate here. Union having received four of the six votes cast is champion of this district which includes Union and Wallowa counties and if they succeed in the next encounter with another district, will probably be entitled to send a team to [illegible].

Miss Mason, a member of the Lostine high school faculty, was in Union Saturday chaperoning the debating team from her school. Preliminary to the debate the Men's Community chorus rendered a couple of numbers.

A black white man's dance was held at Minnick hall on Saturday night. Men in coon costumes and color were admitted for a smaller sum [illegible] than those [illegible] [illegible] were also present. All report a jolly evening.

Fred Wilson, a Hobo man, was stopping at the Union hotel last Wednesday.

George Van Houten, who has been very ill with the influenza the past week or two, is better but not yet able to return to school.

Mrs. W. T. Wright is reported as improving more rapidly than was anticipated from the effects of a fall [illegible] a few days ago. She is at the Hot Lake and an X-ray picture shows that the broken bone is healing [illegible]. On account of her age [illegible] it was feared that she [illegible] would not mend very rapidly.

C. McDaniel and S. McDaniel were here from Wallowa and registered at the Union hotel last Tuesday.

Mike Hess, who was taken to the hospital at Hot Lake last Monday, has been operated upon for hernia and is rapidly improving. Mrs. Hess is at the lake with her husband.

TIMBER SALE IS NOW CERTAINTY

WASHINGTON, Mar. 5. — Chief Forester Greeley notified Senator McNary that negotiations have been concluded with Oregon timbermen whereby they will bid $2 per thousand for the timber of the Bear valley unit of the Malheur national forest and construct a railroad from Burns to Seneca for marketing the timber. Bids will have to be advertised for 90 days.

It is expected that this will be a formality and that the Chicago interests will be the only bidders. Future advertising for bids brought no response because of the lumber prices then demanded by the government.

R. W. Barnes of Burns has made several trips to Washington to promote the sale and special legislation was secured by the Oregon delegation last year in view of immediate development which is expected to follow.

Economic laws are funny. When more eggs are laid, eggs are cheaper; but when more bricks are laid, bricks [illegible].
