

If We Are Not Mistaken

More printed than plain dresses are going to be worn this season. Certainly it keeps us very busy keeping up with the lively demand for printed silks. Designers have taken their inspiration from every imaginable source with the result that one sees old Egyptian figures here, a modification of Paisley motif there, and a range of color combination that defies description. Printed crepe de chine ideal for dresses or blouses may be had here for—

Women Need Swamp-Root

Swamp-Root cures kidney, bladder and liver trouble, and never suspects it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.

GOAT KILLER SLAIN

(By Associated Press) PHICIE, Utah, Mar. 22.—A mountain lion which measured eight feet from tip to tip was killed near here recently by George Fitzakia, a rancher, just as the beast was in the act of carrying off a goat from one of Fitzakia's herds. Although there is no state bounty for the mountain lion, its death is believed will end the slaughter of sheep and goats in this vicinity. As many as seven thousand sheep and goats have been killed in a single day, according to ranch owners.
