MRS. FRED DEWITZ If You're a Young Woman or Even in Middle Life Here Is Some Good Advice For You

Salem, Ore.—While bringing up my family I depended upon Dr. Pierce's Favorite Prescription to keep up my strength. It was especially beneficial to me during the trying months of expectancy, relieving me of nausea and queasiness to my nerves, and I do believe that I would not have come thru the critical time of life so easily and comfortably as I did had it not been for Dr. Pierce's Favorite Prescription. I have given the "Prescription" to my daughters also when they had need of a special tonic and nerve and they have always been benefited and strengthened by its use. Dr. Pierce's Favorite Prescription is truly a woman's medicine that I take pleasure in recommending. Mrs. Fred Dewitz, 625 N. Capitol St. Send 10c to Dr. Pierce's Invalids' Hotel in Buffalo, N. ## White-of-Egg in Calumet a Vital Element Most Baking Powders Lack

Don't use a leavener that does not contain white-of-egg. When you do you take chances—you run the risk of spoiling your bakings.

# CALUMET

The Economy BAKING POWDER

contains a small amount of white-of-egg. This makes it possible for representatives of the company to test it frequently for leavening strength—right on the dealer's counter. Nothing but absolutely fresh stock is permitted to remain on the dealers' shelves. It must always be up to the high Calumet standard.

Remember the white-of-egg in Calumet protects the success of your bakings. It is the economical positive bake-day aid and its sale is 2 1/2 times as much as that of any other brand. A pound can of Calumet contains full 16 ounces. Some baking powders come in 12 ounce instead of 16 ounce cans. Be sure you get a pound when you want it.
