

NORTH POWDER TO HAVE LYCEUM

The Ellison-White Lyceum Course is Scheduled by Seventeen Residents.

NORTH POWDER, Mar. 28.—North Powder will have a lyceum next year. A representative of the Ellison-White Lyceum Bureau spent two days in the town recently getting persons to sign up a guarantee to bring the lyceum course to this town. Seventeen persons who are interested in good entertainment immediately signed their names and now we are sure of the lyceum course.

The contract calls for five different entertainments of high class for which this company is noted. A plan has already been suggested by which the girls of the high school will take charge of the tickets and have all the money for the use of the school that they get above the price that goes to the lyceum bureau.

The good people of North Powder have a chance now to prove their liking for high class entertainments and help out the persons that are standing back of this business and we are sure that it will be done and a handsome surplus left over. North Powder is a wealthy town and there is no reason why we should not have the best there is in every line.

Close Cream Station.
Notice has been received here by M. F. May, who has represented the Emigh Cream company that on April 1st the cream station here will be closed. The closing of their station is due to the fact that the Emigh interests have been sold to other parties.

The patrons will be taken care of by Mrs. Ethel Forsstrom who represents the Mutual Creamery. Mrs. Forsstrom has been in the creamery business for some years and will give good service.

Mr. May received a letter of thanks for his long and faithful service from the Emigh interests and wishing him every good thing for the future.

Mr. May has not decided just what he will do when the cream station closes but he has different things in mind and is considering several different propositions at the present time.

Mason's Social.
The Masons held their social affair as usual on Thursday night and was a very pleasant one. After playing "500" for some time a two course luncheon was served by the refreshment committee on which the following ladies served: Mrs. Wylie Dalton and Mrs. S. Edward Forsstrom.

Mrs. A. V. Olsen and Harry Monday received the prizes for the highest score.

New degree team for the I. O. O. F. of North Powder.

The degree team put on the work for the first time on Saturday night and it was a fine success. The members who did the work were fine and praise was heard on every side. North Powder will soon have a degree team that will be known to all the lodges throughout Eastern Oregon.

The refreshment committee served refreshments which were greatly appreciated by all the members present. The second degree will be put on in a short time.

Mrs. Chris Peterson, who has been in Baker taking medical treatment is reported as getting better. She was at the hospital for a few days and is now stopping with friends.

Mrs. Peterson's daughter, Mrs. Burris is staying at the Peterson home and looking after things while her mother is away.

Mrs. James Biggs has returned from Weiser, where she has been visiting with friends and relatives. She stopped in Baker for a few days on her way home.

Jim Dalton who has been in North Powder on business returned to his home at Oak Grove. Mr. Dalton will return to North Powder in the near future and see after his ranches. Mr. Dalton farmed for several years here and left at one time but finds

the lure of the farm is too great and will return here and go at his old drudge once more.

Band Pleases All.
The band from O. A. C. made their initial bow to a crowded house in North Powder. They played two selections on the street just as an advertisement as to what they could do. The picture show came first and at this time the house was crowded as many were afraid unless they came early they would not be able to get seats and this fear was well founded as the late camera found trouble in getting good seats. The program was very good from beginning to end and was vigorously applauded.

The spokesman of the part was very complimentary to the North Powder audience and said that he had heard of all kinds of powder but for his part from now on he wanted "North Powder." The pictures were good and the speaker explained them and told of the fine work done by the college. He said that if any boy or girl could make a living in North Powder, they could do it at Corvallis and that lack of funds need not deter any one from taking a college course, as 75 per cent are self-supporting. Some of the boys and girls are thinking of going to a college and it is likely that Corvallis will be the place.

COVE SOCIAL NEWS BUDGET

Just think what you've been missing!

MANY people deny themselves the comfort of a hot drink with meals, because they find coffee and tea detrimental to health. For many, the drug element in coffee and tea irritates the nerves, retards digestion and often prevents natural, restful sleep.

If this fits your case, try Postum. This pure cereal beverage supplies all the pleasure and satisfaction that a hot mealtime drink can give—invigorating warmth, fine aroma and delicious flavor. And you can enjoy it in the full assurance that it cannot harm health.

Postum FOR HEALTH

"There's a Reason"

Your grocer sells Postum in two forms: Instant Postum (in tins) prepared instantly in the cup by the addition of boiling water. Postum Cereal (in packages) for those who prefer to make the drink while the meal is being prepared; made by boiling fully 20 minutes.

Made by Postum Cereal Co., Inc., Battle Creek, Mich.
