

### With Parts to Play in the Promenade

It would never do not to complement your Easter costume with dainty new underthings. Indeed, much of the pleasure will come from the satisfaction of knowing that none of the intimate niceties of grooming have been overlooked.

**You'll know if you choose one of our very dainty net trimmed crepe de chine step-in sets, that you have selected underthings worthy the honor of combining with your Easter costume.—\$2.40.**

**A costume joy is what many women have discovered Silk Jersey Vests to be. No doubt you, too have found them very pleasing, and will appreciate the opportunity of choosing them.—\$1.89.**

**Of prime importance to the success of your Easter costume is the corset over which it is worn. Have our corsetiere fit you with a Gosard or Warner.—\$2.00 to \$8.50.**

**In a leading role—Gloves. They are so clever with their perky gauntlet cuffs stitched and applied that as you promenade on Easter you may be sure they won't be ignored. Here in the smart costume shades.—\$2.00 up.**

**Well cast for its part.—Hosiery. For an accessory that is to harmonize with your frock or with your footwear, nothing could be more fitting than our sheer silk hose in beige, gray and black, shades that match or contrast effectively with any color scheme.—\$1.50 up.**

**Leading up to the climax—Veils. Traditionally the climax of your Easter costume is your Easter Hat and admirably fitted to set it off attractively are crisp veils, some with vermicelli embroidery, others stitched in fine small designs.—\$2.50 and \$3.00.**

**MT. GLENN WILL PRESENT PLAY**

MT. GLEN, March 29.—A. J. Feik is removing his family to their home in Mt. Glen. Mrs. Feik, who has been seriously ill for some months is much improved.

Judge Couch was in Mt. Glen today looking over the roads. He said that next year they intended making a market road through here to La Grande.

Livestock is looking fine this spring. There will be some surplus here this year.

Chas. Hibbert has accepted a position with Leighton's garage.

The Mt. Glen M. L. A. will present a two-act comedy drama, "Mr. Bob," in the chapel Friday evening, March 30. This is a high class show, being recommended by some of the leading colleges. It is considered one of the most clever shows published. Play shows about two hours and there is not a dull moment throughout the entire time. They are expecting a large crowd. Show starts at 8 o'clock.

**THE OLD HOME TOWN** . . . . . By Stanley

A drummer from a Chicago seed house, tripped on a broken board at the central hotel today, dislocating his knee and sample case.

### OFFICE CAT

**FAIR ENOUGH**  
"Personal" in the Panama Star and Herald.  
Notice—My husband, Saml. Brown, having left my home and protection without any cause since the 13th of May, 1920, and his whereabouts are unknown to me, I therefore notify the public that it's my intention to get married.—(Signed) Mrs. Ethel Brown.

**JUST LIKE THAT**  
"Why should I kiss you?" Ether asked.  
He answered "I don't know."  
Becoming mad she told the lad Exactly where to go.

**THE WOM TOINS**  
A La Grande man, after waiting all day for his wife to say "What day is this?" telephoned her late in the afternoon and reminded her that it was their fifth wedding anniversary.

Many a groom puts off the wedding until his father can afford it.

Money talks, but if Henry Ford could carry out his ideas it would rattle.

**A WELL KNOWN FACTOR**  
"If we are all as great as we think we are, this old world would be a paradise."  
"Yes, but the competition would be hell."

**MARRIED IT**  
Jones—"What did you do with that old typewriter of yours?"  
Brown—"Oh, I married her."

**WHAT YOU MIGHT CALL**  
From an Illinois small city daily: Harry Mahan has bought a cow and is now supplying his neighbors with butter and fresh eggs.

A woman rushed up to the ticket office in the station at La Grande the other day, says Amos Tash and demanded a round trip ticket quick. "Where to?" inquired the agent. "Back here—where do you suppose?" shrieked the woman.

**EFFICIENCY IRONING AMUCK**  
A Chicago efficiency man posted a notice in his works reading: "Do It Now." Within twenty-four hours the cashier bolted with the contents of the office safe, his favorite stenographer ran off with his oldest son, the office boy threw the ink bottle into the electric fan, and the whole mechanical crew went on strike for more wages, and a six hour day. He is thinking of getting a new office motto but he can't find a comfortable one.

According to their temper men are sharpened or broken on the grinding wheel of adversity.

**TWO BITS, WHERE ART THOU?**  
Sign in front (camouflaged) of local movie theater: "Put Your Change." Timely placards are always truthful.

### SAWMILL WORK NEARLY DONE

**IMBLER.** March 28.—Galvin Johnson will start building his new home in a few days.

The saw mill that is being built on Harris Mountain is rapidly being completed. Several men have been camping there while the work is being done.

Frank Martin has had a crew packing out his small apples for export market.

Leo Westenskow and mother were visitors at Pefferkorn's in Summerville Sunday.

The regular meeting of the Par-

est-Teacher Association was held Friday evening in the school building.

E. G. Dykstra, principal of the Imbler school, was in La Grande Saturday, attending the East Oregon Principals and Superintendents meeting.

L. Kiddle will give the Boy Scouts some military practice next Wednesday evening.

The baseball season is now open. The high school boys are busy preparing for their first game with North Powder, April 5.

Found in a Missouri exclaiming: "Missouri stands at the head in male raising which is, in fact, the only safe place to stand."

The remarkable thing is not that so many get out of jail, but that so many stay out.

### SKAGGS Cash Stores

Next Monday is the first of the month again. To some it will be merely the first of April, while to others, less fortunate, it will mean another scramble to pay bills contracted in March. Running bills nowadays is a luxury few who really appreciate the difference care to afford. As a basis of figuring, take the items listed below and check them off against the prices charged on your March bill. You will probably be astounded at the difference.
