Soaps and Brushes

Bathing and the proper care of the skin bear directly on the question of health. Indeed, the supplies and accessories for your bathroom should be selected with just as much thought and care as those which go into the kitchen.

More and more people are learning this truth every day, and are finding that it pays to have the right soap or the right brush for each particular function in the daily duty of cleanliness.

Selecting "the right kind" is easy at THE REXALL STORE because we are always glad to assist you, and we carry an unusually varied and complete line of soaps, brushes, talcums, sponges and other bathing needs. Let us show them to you.
